ADDITIONAL LAW JUDGE. The conferces from Erie, Crawford and Warren counties met at Corry on Tuesday, and by a unanimous vote relected Colonel Benjamin Grant, of this city, as the Democratic romiree for Additional Law Judge, in place of Hon. David Derrickson, whose term expires in December next. Col. Grant had previously been named for the position by acclamation in our county convention, and this ro en dorsement of his qualifications for the position by the Representatives of the three counties in the district, is a tribute which must he as grateful to him as it certainly is to his friends. The nomination of Col Grant will add strength to our ticket, and on all sides is admitted to have been the best that could have been made. His practice is perhaps the largest of any attorney in our county, and embraces nearly all the most important cases. Although an earnest and unyield

The nomination of Colonel Grant is highly endorsed by many of the opposite party. who are free to express their admiration of his legal attainments and unheaita. tingly assert their intention to give him their support.

WRAT OF THE STATE CANVASS Inquiries are daily made of us in refer ence to the probable result of the contest for Governor in our State. The anxiety which Gen. Geary displays to avoid the negro question exhibits his knowledge of its impropriety, and his willingness to ride into office upon false pretenses. After the utterances that he has given, his election would be claimed by all the negro suffrage organs as an en-

lorsement of their position, . The people can see by the above exactly where he stands, and if, with the information we have given them, they proceed to elect him, and afterwards find the negro placed on a level with themselves, the blame will rest at their own doors.
