From Rev. W. D. Seigried, Pastor of Twelfth Baptist Church, Philads.

Gentlemen—I have recently been laboring under the dates-ing-effects of indigestions, accupanied by a pice' tration of the nerrous system. Numerous rem dies were recommended by fineds, and some of them the ed. to without, relief. Your Hoofland a German Sitters were-recommended by fineds, and some of them the ed. to without, relief. Your Hoofland a German Sitters were-favorable me toop of these Bitters induced me to try' trem. I mutconfess that had an aversion to 'strict Medicines from the "thousand and one" quark "Bitters" wholes of years seems to be to palm of sevetened as donged liquent upon 'the community in a sily way, and the tead-upy of which, iteas, is to make many a conformed dunkard. Upon learning that ours was really a medicinal preparation I took it with happy effect. Its action, not only upon the site oach but upon the ner-ous system, was prompt an egatifying. I feel that I never derived great and paymenent benefit from the use of a fee botties. Very respectfully ours.
