READ WHO SAYS RO.

From Rev. W. D. Seigrised, Pastor of Twelfile Baptist Church, Philada.

Gentlemen—I have resently been laboring under the distreasing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommanded by friends, and some of them batted, but without relief. Your Hoofand's German Bitters were recommanded by persons who had ried them, and shees favorable medium of these Bitters induced me to try them. I must confess that I had an aversion to fattest Medicines from the "thomassd and one" quach "Bitters" whose only aim seems to be; to paim off sweetened and drugged liquer upon the lectimostiy in a siy way, and the tendency of which, I first, is to make many a confirmed drunkard. Upon itsaring that yours was really a wedicinal preparation I teck it with happy effect. Its action, not only upon the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very raspectfully yours.

I have derived decided besets from the use of Hoofland German Bitters, and I feel it my privilege to recommend them as a most valuable tonic to all who are suffering from general debility or from discases arising from the derangement of the liver.
