) is sale in iy practice of scening everything they can lay their, hands on; eggs, poultry, pigs, corn, clothing, borses, mules, cotton and everything; with their habits of idlences, and riding horses and mules by night, without home and the second the second and riding horses and mules by night, without leave, are not reported; nor the fact that the "outrages" upon the freed-men are only "lynch law," in the absence or inutility of civil law. Of what use to inct that the outrages" upon the freed-men are only "lynch law," in the absence or inutility of civil law. Of what use to prosecute before the couris for solbing heavier as his weight increases. He's the first boy of which we'se ever been propri-feel proud to be in the company of Indees town. The old woman before mentioned declares him the very image of his pa : "A faithful copy of his faithful sire,

-* }

In face and gesture. But, in justice to the youth, we must Nowhere in the Shift do the blacks to gard the law of marriage. Select a mit-lion of males, with as many females, all lots itrangers to each other, and place them on a plantation—in thirty days or less they will be "mated," to the last pair. Let them ilive together a year and have theildren, at the ead of mkick time, sepsless they will be "mater," to the last pair. Let them live together a year and have children, at the end of which time sepa-tions with other strangers, and they will again "mater" as before, and so on to the end of their lives. It is common for a end of their lives. It is common for a distinguished cognomen, but the fame of distinguished cognomen, but the fame of color for a weak of a month there on great man is at present of a month. black man to live with a woman of his color for a week or a month, three months, or three year, and then quit her for another, and the woman he left, with itter indifference, will tell any one that Jim, Jb, or Jerry, "had her" for four months, and now has "took" another Yet these are the people about whose Ver these are the people about whose pa" as poor, but "on it."

Old Mr. Lefevre's illustration of the

theory of banking to a customer, whose account was always overdrawn, certainly rivals the best treatise on that subject, Watching the customer, he caught him one "Mr. day at the counter, and said to him : "Mr. Y----, you and I must understand one another something better than we now seem to. I am afraid that you don't know only when freed from their female guardi-ans by the advance of our troops. Their voluntary enlistment into the Union army is another humbur. Every officer and soldier knows that the blacks were "gob. taking care of mine. Now, that is not bled" and infisted nolens volens. They did not dare to say so; and there was no time during the war that fifty while men would at this a full actions of the solution. It's more now, Mr. Y----, I'm sureyou do.'

A bankrupt merchant returning home one night, said to his noble wife : "My They are poor units of the most truth the kindest sympathy and the most truth full trastment. Heaven send them secu-ful trastment. Heaven send them secu-far and religious teachers of noble and far and religious teachers of noble and true hearts? The longer they are strang-ers to politicians, and "the ballot and the bayonet." the batter for them, for all bayonet." the batter for them, for all classes, and, for the country. Beecher, balanses, and, for the country, he said they bayonet? Oh! no! Will the sheriff sell the moments of silence the will the sheriff sell sell mo!. Oh! no! Will the sheriff sell the moments? Oh! no! Then, do not the moment? Oh! no! Then, do not the children ? Oh ! no ! Then do not say we have lost everything. All that is

most valuable remains to us-manhood, momanhood, childhood. We have tost but the results of our skill and industry. The ideal negro of the Northern mind We can make another fortune if our hearts, and hands are left us."

"Wife, I am to live but a few hours at most-I shall soon be in Heaven." "You -you'll never be any nearer than you are is the infatuation of the North. It would seem the truth would not be believed, iow to Heaven, you old brute? You'd look well stuck up in Heaven-I think I. see you there now." 'Dolphus, Dolphus," hoarsely growled the old man, "bring me my cane, and let me larrup the old trollop though one arose from the dead. The cry of "copperhead" and "traitor" is held to be conclusive sgainst truth, justice

once more before I die."

An exchange says a saving bank in Mothem of "whicing," and mays that they must either "stop that sort of nonsense" or else start for the other side of Jordan, tender is circus. bile, established by the negroes, collapsed

Two sisters named Berry were married last week at Rockland, Maine-the one to a Mr. Black and the other to a Mr. Snow. the femining Utahvans. He says that the
