Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla. combined with other substances of still so combined with other substances of still greater alterative power as to afford an effective autidate for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strunous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowaltimes. How completely this compound will citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following

complaints: — | Schofulous Complaints, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS PINPLES, BLOTCHES, TUNORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-FECTIONS, MCRCURIAL DISEASE, DROPSY, NEC-RAIGIA OR TIC DOULOUREUX, DEBILITT, DYS-PEPSIA AND INDIGESTION, ERVSIPELAS, ROSE on Sr. Anthony's Fire, and indeed the whole class of complaints arising from Inpurity of the Bloop.

This is compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.
