GALE'S PATENT FEED CUTTER!

SEATINGE & TO, 1885 Pint S

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidoto for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowicitizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints: combined with other substances of still complaints: —
SCROPULA AND SCROPULOUS COMPLAINTS,

REUPTIONS AND ERUPTIVE DISEASES, ULCERS, PINFLES, BLOTCHES, TUNORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-PECTIONS, MERCHRIAL DISEASE, DROPST. NEU PECTIONS, MERCHALL DISSASS, DADISS, NEC-RALGIA OR TIC DOLLOUREUX, DEBLITY, DYS-PEPSIA AND INDICESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from Impurity of THE BLOOD.

THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to-rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is ob-structed and aluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed

for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarssparilla. contain but little of the virtue of Sarssparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarssparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarssparilla, but often no cuntive properties whatever. Hence, hitter and painful disappointment has followed the use of the various extracts of Sarssparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarssparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their completes eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
