                                                                                                                                                                                                                                                                                                                                                                                                                                     Will nothing rouse us? Are we as sluggish
of apprehension now, on the one hand, as
we were before the rebellion, on the other?
Make it a point never to praise any dish
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             here. Many weeks ago, as he lay, he beck-
oned me to him, and told me of this pic-
                                                                                                                                                                                                                                                             Tar-genuine North Carolina,
