feb21-2w. The coming city election is already being considerably talked about. We hear a number of gentlemen named in connection with the Mayoralty,-among them, Orange Noble, Matthew R Barr, Joseph McCarter, F. Schnei-

Jer. P. A. Beck r. John W. Shannon, J. C. Burgess and T. B. Vincent. Either of these would make an efficient officer, and on personal grounds we should find some difficulty in deciding which to support. Mayor Scott, we understand, positively declines a re-election. He has been one of the most active and useful Mayors we ever possessed, and if he would allow the use of his name as a Union candidate. we feel sure, would be re-elested by a heavy majority. So far as we are informed, there is no disposition to draw political lines in the municipal contest. All sides feel that he city interests can best be promoted by electing the most efficient men, without respect to their party creed. Our own action will be decided entirely by what we conceive to be for the good of the community, irrespective of the political affiliations of the candidates presented. HAYES & KEPLER,

REPARATOR CAPILLI: REPARATOR CAPILLI.

For restoring hair upon bald hades (from whatever cause it may have fall un out) and forcing a growth of hair upon the face, it has no equal. It will force the brand to grow upon the vmootheat face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignora: t practitioner have sarried that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are take, as thousands of living witnesses, from their own experience, can bear witness. But many will say, how as we to distinguish the genuine from the spurious? It sertainly is difficult, as nine-tenths of the different preparations adjectized for tree hair and beard are en tirely worthless, and you may have already thrown away largy amounts in their purchase. To such we would say, try the Reparator Oapilli; it will cost you mothing nnless it fully comes up to our reprince takons. If your druggist does not keep it sand us one doller and we will forward it, post-paid, together with a receipt for the money, which will be retarned you on a supilestica, providing entire satisfaction is one given.
