The American Jewelers' Association calls your attention to the fact of its being the largest and most pe ular jewelry association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich elegant and costly goods. The andden stay atton of trade in Europe owite to the lat-fewerman war and the recent disastrous funcial crisis in Eng'and, has caused the failure of a large number of jewelr houses in London and Faris, obliging them to sell their goods at a great sacrifoe, in some instances less than one-third the cost of manufacturing. We have lately purchased very largely of these bankrupt goods, at such extremely low prices that we can sford to a sud away finer goods, and give better chances to draw the most valuable prites han any other es abiliar business. Our sim is to please and we respectfull solicit your payronage, as we are confident of giving the umost satisfaction furing the past year we have forwarded a number of the most valuable prizes to all a six of the country. Ayer's Sarsaparilla

concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effec rive intidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowdo it has been proven by experiment on many of the worst cases to be found of the following

SCHOPULA AND SCHOPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-FECTIONS, MERCURIAL DISEASE, DROFSY, NEU-RALMA OR TIC DOCLOUREUX, DEBILITY, DYS-PEPSIX AND INDIGESTION, ERYSIPEEAS, Rose on Sr. Anthony's Pine, and indeed the whole class of complaints arising from IMPURITY OF

This Hood.

This compound will be found a great promoter of health, when taken in the spring-to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are singed in the bud. Multitudes can, by ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell whenever it is foul, and your feelings will tell structed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsanarilla has, and deserves much, the

life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla.

contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete cradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS.

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.
