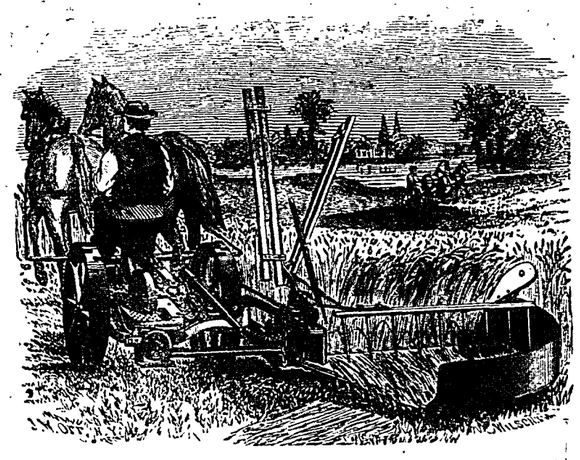
FOR THE HARVEST OF 1867.



DODGE'S PATENT

REAPER AND MOWER,

AND

SELF-RAKING HARVESTER.

OHIO AND BUCKEYE COMBINED.

WITH DOUBLE DRIVING WHEELS, FLEXIBLE FINGER BAR, AND FOLDING CUTTING APPARATUS.

This machine has met with the most complete success. In every section where it has been introduced, it has taken precedence over those machines which have heretofore ranked as first class. We have endeavored to furnish the

BEST REAPER AND MOWER IN THE MARKET.

With this end in view we have secured, by lease and purchase, the control of all the desirable and standard patents now in use, among which we call attention to *the Ohio and Buckeye Patents as combined in this machine.* This machine embraces all those valuable features which have contributed to the great success of the Ohio and Buckeye Machines, together with a number of entirely new, novel and valuable improvements.

In compactness, lightness of draft, excellence and elegance of workmanship and finish, combined with great strength and adaptation to all *kinds of work, it will surpass any machine heretofore offered to the farmer.*

The following points of excellence show the advantages of Dodge's Reaper and Mower over all others:

TWO DRIVING WHEELS.

This Machine has two driving wheels, which support the whole weight of the Frame, Gearing and Driver, giving it great power and facility of operation.

DOUBLE-HEADED FINGER-BAR.

The finger-bar of Dodge's Machine is attached to the frame by a double hinge joint, which allows it to follow the surface of the ground, without being affected by the working of the frame. Over ridges and through hollows, the independent action of the Cutter is perfect, enabling either end to rise or fall without affecting the other.

CUTTING APPARATUS.

The most important part of a Mowing Machine is its cutting apparatus. Of all the numerous experiments and inventions, the Open, Wrought Iron Guard, faced with Cast Steel, as used in this Machine, is the only guard that has proved successful in all places. The advantages claimed for the guards are: They do not bend or break. They are all precisely alike. They do not clog.

DRAFT.

The draft of this Machine, in heavy grass or grain, is much lighter than ordinary plowing, and does not exceed an average of 100 pounds direct draft. A light pair of horses can work the machine easily all day, in any kind of grass or grain, when the machine is properly adjusted and operated.

AS A SELF-RAKER.

The Self-Rake applied to this machine has proved a perfect success. It is a Revolving Rake, and does its own reeling, saving the expense and trouble of a reel, and yet performing better in all kinds of grain than a Reel and Hand Rake can. It makes a perfect separation with the rake head, in all kinds of grain, whether tangled or lodged, long or short, by reason of the rake revolving over forward, and striking into the nicest grain, or before the sickle, carrying it along and over the platform, and delivering it in compact bundles, at the rear of the machine, entirely out of the way of the team and machine on its next round, and without any littering whatever.

AS A REAPER.

The double hinged joint and two driving wheels make it the ONLY REAPER PERFECTLY ADAPTED TO UNEVEN GROUND. The over hanging Reel is supported upon a reel post, fixed firmly in the drag-bar socket, and can be *readily adjusted up or down, or backward or forward*, and all times follows the movements of the platform. The grain is easily delivered at the rear of the machine, entirely out of the way of the team on the next round, in good shed bundles for binding. THE PLATFORM is readily adjusted to any required height.

☞ Descriptive pamphlets of the Machine will be furnished on application to

ASTROLOGY.

THE WORLD ASTONISHED!

At the wonderful revelations

MADE BY THE GREAT ASTROLOGIST

MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophies, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent *friends or lovers, restores lost or stolen* property, tells you the business you are best qualified to pursue, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and *characteristics of the person.* She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configurations from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and on no other never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address MADAME H. A. PERRIGO,

AFFLICTED, SUFFER NO MORE.

When by the use of Dr. JOHNVILLES' ELIXIR you can be cured permanently and at a trifling cost.

The astonishing success which has attended this invaluable medicine for physical and nervous weakness, general debility and prostration, loss of muscular energy, impotency or any of the consequences of youthful indiscretion, renders it the most valuable preparation ever discovered.

It will remove all nervous *affections, depression*, excitement, incapacity to study or business, loss of memory, confusion, thoughts of self-destruction, fear of insanity, &c. It will restore the appetite, renew the health *of those who have destroyed it by sensual excess or* evil practices.

Young men, be humbugged no more by 'Quack Doctors' and ignorant practitioners, but send without delay *for the Elixir, and* be at once restored to health and happiness. A perfect cure is guaranteed in every instance. Price $1, or four bottles to one address for $3.

One bottle is sufficient to effect a cure in all ordinary cases.

Also, Dr. JOHNVILLE'S SPECIFIC PILLS, for the speedy and permanent cure of Gonorrhea, Gleet, Urethral Discharges, Gravel, Stricture and all affections of the Kidneys and Bladder. Cures affected in from one to five days. They are prepared from vegetable extracts that are harmless on the system, and never nauseate the stomach or impregnate the breath. No change of diet is necessary while using them, nor does their action in any manner interfere with business pursuits. $1 per box.

Either of the above mentioned articles will be sent to any address, closely sealed and post paid, by mail or express, on receipt of price. Address all orders to BERGER, SHUTTS & CO., Chemists,

REPARATOR CAPILLI.

Throw away your false frizzes, your switches, your wigs—Detective of comfort, and not worth a fig. Comegaed come youthful, come ugly and fair, And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have left them), and for fixing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the *smoothest face* in from five to eight weeks, or hair upon bald heads in from two to three months. Many learned practitioners have asserted that there is nothing that will force or hasten the *growth of the hair or beard.* Their assertions are false, as thousands of living witnesses, from their own experience can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully come up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, post paid, together with a receipt for the money, which will be return'd you on application, providing entire satisfaction is not given. Its use* cannot be detected by the closest scrutiny, and being a vegetable preparation is perfectly harmless. It is the only article of the kind used by the French, and is considered by the *Parisians as indispensable to a perfect toilet.* Upwards of 20,000 bottles were sold during the past year, a sufficient guarantee of its efficacy. EXCELSIOR! EXCELSIOR!

CHASTELLAR'S HAIR EXTERMINATOR,

For Removing Superfluous Hair.

To the ladies especially, this invaluable depilatory recommends itself as being an almost indispensable article to female beauty, is easily applied, does not burn or injure the skin, but acts directly on the roots. It is warranted to remove superfluous hair from low foreheads, or from any part of the body, completely, totally and radically, extirpating the same, leaving the skin soft, smooth and natural. This is the only article used by the French, and is the only real effectual depilatory in existence. Price 75 cents per package, sent postpaid, to any address, on receipt of an order, by
