TO THE PEOPLE OF ERIE AND VICINITY.

WHEREAS, a statement has been made and circulated in this community calculated to mislead many of our citizens, the undersigned would most respectfully beg leave to contradict the same, and hereby announce that at NO. 1821 PEACH STREET, South of the Union Depot, (J. F. Decker's old stand,) may be found a choice selection of

Groceries, Provisions. Foreign and Domestic Fruits, Crockery and Glass Ware, Yankee notions, Toys, &c. In fact everything usually kept in a Family Grocery Store. Flour from the celebrated Girard Mills—warranted equal to the best in the country. Furthermore, we are not so distrustful of our fellow citizens, that we are not willing to trust at all.

WE WILL GIVE REASONABLE CREDIT to all good-paying enstoners, and sell goods just as low as any one who claims to sell only for cash. If so unfortunate as to have any had debts, we pledge ourselves todo as all honorable merchants ever have done—pocket the loss ourselves, and not ask our good customers to make it up—as some claim to have done.

For a confirmation of the aboye statement we ask only a fair trial.

Goods delivered promptly to any part of the city. Romember the place, 1321 Peach street, near the Union Depot.

Ayer's Sarsaparilla
A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sersaparille is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense proving to this large class of our afflicted fellow. secomplish their ours must prove of immenso service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Schopula and Schopulous Complaints,

ERUTIONS AND ERUTIVE DISEASES, ULCERS, PINFLES, BLOTCHES, TUNOSS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AT-PECTIONS, MERCURIAL DISEASE, DROPST, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-Pepsia and Indicestion, Enverpetas, Rose or St. Anthony's Pine, and indeed the whole class of complaints arising from Inpublic op

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which feater in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the sid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous softes, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pinples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it ly expulsion of them many rankling disorder structed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder you when. Even where he particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla.

or any thing else. During late years the public have been mis-led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsapa-rilla, but often no curative properties whatev-er. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the Sursparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and chest. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of oblicupy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle. the bottle. PREPARED BY
