J. C. SELDEN.

"Everything there is wretched," he replied; "Everything there is wretched," he replied; "we are rulaed, or next to rulaed. The ne-groes are compactly organized, their leagues" reaching to every county of the State. They which led the young lady to inquire where he had been. "I had to work to-night." "What! do you work for a living ?" she inquired with astonishment. coerce and threaten every black man who does not join them. They are, in fact, a unit politically. Incendiaries, the off-scourings of the earth, have moved into the State, their only object being to stir up strife. These have excited the negroes with political hopes which they would not have entertained otherwise, and demoralized the entire population." We spoke of the tour of Senator Wilson and othhis wife. "It is not of Mr. Wilson or men of that grade that I spoke," said Mr. Stephens. "These incenduaries are ostensibly lawyers. We never see them : they live almost entirely among the blacks. We don't know where they come from; they are everywhere, and always for "Then Georgia is worse off, in your belief. than at the close of the war? "Infinitely! The war closed upon a sub-"Infinitely 1 The war closed upon a sub-mitted, and, so far as good citizenship was concerned, quiet and obedient people. The terms of the pence were accorded to. The negroes promised to give us no anxiety. It seemed, comparatively, an easy goolem to set society to work again. Till these mischiev-ous emiscrics come page was achieving its tures. set society to work again. Till these mischiev-ous emissaries came, peace was achieving its good results. At present we live in fear and without hope." We asked, in case the negro got the ascen-dency in Georgia, what the white population would do? "Abandon the State," said Mr. Stephens. Thousands have bitterly regretted their, folly who have turned their backs to liones-

people, who cannot see their interests and ours to be identical. Political emissaries have tempted them for no other purpose than ja16-tf. |

and the convention expelled him. There is no basis of citizenship- in the negro. Now and then, in the mass of whites, an individ-and her, will show as long as he behaves wall." So he here his control of the teacher, "I will cave the school if you say so, but I cannot expel a boy as long as he behaves ual black man will show some cleverness, just as a piece of iron will(glow in a furnace. You take any race of white men, however debased, and toss them in the midst of civilization, they will take fire like a piece of coal thrown in a grate; if you throw a single piece of iron in there you cannot tell it when it is red hot from the red coals around it. So with isolated negroes; but in the mass there is no fuel, no spark to them. If they obtain as condence in the country, all Teutonic civili- trying to please everybody. If such ever zation will be overwhelmed as by an Asiatie | succeeded we would be glad of it—not that

inundation, and the institutions that we have been centuries developing, will be extinguish-trying to find beams to knock his head been centuries developing, will be extinguishagainst, disputing every man's opinion, fight-ing, and elbowing and crowding all who dif-for with him. That, again, is another exed in Asiatic barbarism ed in Asiatic barbarism." Our next inquiry was as to the probable admission of Alabama under the defented fer with him. That, again, is another ex-Constitution. On this Mr. Stephens said that the negro Constitution.had been put to vote and beaten by ten thousand ballots. Never theless, Mr. Bingham had reported that the States should be oblighted upon this game Con-State should be admitted upon this same Con-stitution. We expressed a doubt that it was the in spite of wind and weather, storm or sun-

negative. "They came in there at first tapidly-

drifting at present. We then inquired if Savannah shared in

having been the means of sa making him the man he was.

good class of Northern mer, too. Nobody is settling in the State at present. Why should they ? I would not lend Georgia a dime, if rins. Love is the union of two hearts that beat in softest melody. "Time with its ravages imparts no bitter futhe negro issue is triumphant there. I migh

as well throw it into the sea. Stagnation, hankruptcy, ruin are inevitable as we are sion to its ecstacy." Mr. Conkey looked with much anxiety for

Air. Conkey looked with much anxiety for the issue of the paper, that he might see his name in print. The typo into whose charge the notice was placed happened to be on a spree at the time, and made some wonderful hardow in actions it un thus. "No." he said. "Sayannah being the sealunders in setting it up, thus : "Married—On August 1st, A Donkey, Esq.,

No," he said, "Savannan being he sea-port city, has fared exceptionably well. A large cotton crop was exported last year,-Georgia has everything to make a great State. Well regulated, she has no superior in the Unions' If the country were legislated for by Eternally at Law, to Miss Euphumia gins.'

Joye is an onion with two heads that belt in softest melody. "Time with its capbages imparts no better food to an extra dray."

ROBBERY BY A YOUNG WIFE .- A happy

Romery by A Young Wire.—A happy newly married couple stopped in Cincinnati on their wedding trip, from Georgetown, Kentucky, putting up at the Merchant's Hotel, a day or two since. While they were there, the husband, a jovial, gentlemanly young man, in the happiness of his heart in-dulged in such good Bourbon as he could find at the first-class bars. In some way or other be because so confused, that in awak-¹A young man commenced visiting a young woman, and appeared to be well pleased. One evening he called when it was quite late other he became so confused, that in awak ing the day after his frolic, he could not ac-count for the mysterious disappearance of the small trifle of about \$1,000 that he had with him the night before. He told the landlord of the loss, and the landlord sent for the police, who'mmediately interrogated the gen-tleman as to where he had been the night be-fore. He frankly stated that the whisky tleman as to where he had been the night be-fore. He frankly stated that the whisky had knocked his memory, and that he could not inform them. While they were thus talking, the young wife was listening, and thinking her little joke had gone far enough, and the desired warning had proved suffi-cient she came forward und stated that she cient, she came forward and stated that she had the money—had taken it from her hus-band's pocket, simply to show him how easily the same thing could be done by any-body else.

STRONG CHARACTER.-Strength of character consists in two things-power of will and power of self-restraint. It requires two things, therefore, for its existence-strong things, increase, for its existence—strong feeling and strong command. Now it is here we make a great mistake; we mistake strong feelings for strong character. A man who bears all before him; before whose frown here terrible and where here to form lomestics tremble, and whose bursts of fury Beware, young ludies, how you treat young makes the children of the household quake nen who work for a living, for you may one —because he has his will obeyed, and his own way in all things, we call him a strong man. The truth is he is a week man; it is his passions that are stone; he is mastered

Far better to discharge the weat-ter partial his passions that are stone, no with all his rings, jewelry, brazenness and his passions that are stone, no weat-pomposity, and take to your affections the by them, and is in reality weak. Callous handed, intelligent and industrious man by the power of the forces which sub-man by the power of the forces which sub-

due him. And hence composure is very often the highest result of strength. Did you

ty. A few years have taught a severe lesson. A MAN who left his wife in New York and went to Chicago, narrates that as soon as he reached the city, and before he was fairly out of the denot, he was attacked by a soon a in a minority. To this we would nev-mit; our only policy would be emi-n. We cannot altogether blame the es for this. They are poor, credulous e, who cannot see their interests and to be identical. Political emissaries lempted them for no other purpose than interest. The strong men, the spiritual herces. In the strong men, the spiritual herces.

State.

delphia in busy retirement, he cannot entire-y separate himself from his admirers, and while we were talking one of these entered, a Milesian personage, evidently from one of the outer wards, who made himself acquaint ed directly, and then complacently sat down o enjoy the conversation. To him Mr. Ste hens showed the same excellent and digni

ex-Vice President's remarks. Mr. Stephens has often been described, and non; these latter convey little' idea of the pate, soft skin of his face, the fineness of his hair, the extreme delicacy of his fands, and the exquisite harmony of his features, man-ners and voice. A refined organization, fine almost the efforminger, is manifest at once to almost to effeminacy, is manifest at once to any who may meet him; his hair has whitened equilly, without becoming thinned, and his forehead expresses habitual physical pain. His eyes are of a dark hazel color, beautiful and large as a consumptive's, but keen and flashing at times; his nose is of like spirit, cut clean in profile and nostril, and his smooth face, sloping quickly to a delicate chin, contains a month like a girl's, small and

a spirit of wise and beneficent patriotism, a spirit of wise and generation patriousm, it would thrive speedily and be happy. The South went almost bodily into the insurrec-tion. It accepted the issue of arms obedi-ently, but without a thought of the issues to be forced upon us."—*Philadelphia Inquirer*, Jefferson Davis, in some of his nervous ord intense moments, reminds one of Mr. Stephens, but the former is of coarser and noro earthy mould. Mr. Stephens has, at more earthy mould. Air. Stephens has, at times, a petulant look, as if of sudden pain, suppressed almost immediately. He is bent somewhat, and his invalid complexion and stature give him the appearance of a religi-ous enthusiast, except when at earnest mo-ument his counterparts attentions and his ments his countenance' strengthens, and hi voice grows shrill and effective, like John Randolph's. We asked him how the State of Georgia

er submit; our only policy would be emigration. We cannot altogether blame the negroes for this. They are poor, credulous

"Abandon the State," said in the precipitation of Lot, and never look back. We are sborgan-ized there, the proportions of the races are such, that negro citizenship would leave the whites in a minority. To this we would nev-

"Certainly," replied the young man, "I am mechanic." "I dislike the name of a mechanic," and she turned up her nose. That was the last time he visited that young lady. He is now a wealthy man, and has one of the best women in the country for The lady who disliked the name of a mechanic is now the wife of a miserable fool-a regular vagrant about grog shops—and the soft, verdant, silly miserable girl is obliged to take in washing in order to support herself and children. You dislike the name of a mechanic, oh ? You whose brothers are but well dressed loafers. We pily any girl who has so little brains, who is so verdant, so soft, as to think less of a young man for being a mechanic-

one of God's noblemen-the most dignified and honorable personage of heaven's crea-

inen who work for a living, for you may one day be menial to one of them yourself. Far better to discharge the well-fed pauper
