county, and this fact alone he regards as a strong reason why the location should not be changed. We are not sufficiently acquaint-His keen knowledge of men, and ed with the matter to be able to pronounce wid common sense rendered him a man an opinion upon these statements, but, in view marked character, and would have given of the fact that the sale of the farm has been in a leading position in any community. much discussed over the county, it seems no died of inflammation of the lungs, after more than just to the Directors that their is a week's illness, during most of which side of the question should be laid before the

We notice that the New York Canal Board (Democratic,) has appointed five edi-tors of country papers to offices in their de-partment. This is as it should be. Until party feelings were subdued, and the the Republican party act upon the brinciple that the laborer is worthy of his hire, they caunot expect that whole-sorded interest among the editorial fraternity that the Dem-ocrats get. Editors are but human, and they don't like to do all the work and let incompetent nobodies jump in and take the profits.

—Corry Telegraph.

We cannot agree with the Telegraph in its views of the rewards due to editors. It off Wankegan, early on Thursday is true, as it claims, that the editors of politinoming, the 9th inst., and all on board lost cal papers do more hard work for their party lives excepting three. The fire is supthan any other class, but it is only as a legitimate portion of their calling, and as such or of live coals among the straw on the ought to be performed willingly. This whole office-seeking business is a scandal to the country, and the sooner some plan is devised to obviate it the better it will be for the nation. Above all we object to seeing members me freight stored around the after guards of the editorial fraternity engaged in it, especially when they are in a position that renders them independent of the emoluments of office. In our view the editor of an influential and prosperous journal occuples a station as much higher than the common herd of office holders as the nine is m.passengers.from Sheboygan. There were taller than the stunted scrub near its base. all about one hundred persons on board. An editor is respected in proportion as he is Captain Yates, of the schooner Cordelia, see- honest and independent, and no one who is as the Sea Bird burning, hastened to the an office-seeker can be either. The moment essel and rescued the only two persons that he becomes one he invariably loses his pressere saved, taking one from the water and tige, and the influence of his paper dwinthe other from the steamer. But few persons dies. We hope to see the day when editors ere burned, the greater number jumping will regard it as beneath their station to aprerboard and being drowned. At the time ply for an office of any kind, or even to acthe rescue Chamberlain was lashed to the cept one, unless it comes in such a manner owsprit and Hannabury was hanging to the as to clearly indicate that no solicitation was the davits. The hands of the former were necessary to procure it: A determination of perched and those of the latter frozen. There this kind, pervading the editorial ranks ere several women and children on board, throughout the length and breadth of the Union, will do more to elevate the standard burned to the water's edge, and her bull and add to the influence of the press, than

THE Republican styles' the Dispatch and d forty-four tons; was built six years ago; Gazette "the organs of faction in this city," in this county." It defends the Radical Co. onday evening, decided to assess \$63,000 | Committee from the charge of entertaining a the amount of taxation for the year 1868, disposition to repudiate the action of the last the rates being 17 mills on the dollar for County Convention, adopting the Crawford general fund and 23 for the interest fund, county system of making nominations, alleging forty mills in all. This is exclusive ing that it has "not the least foundation in yourselves and to your companions, to be the special street, school, county and State at which is about 60 mills more, giving a diverage taxation of ten per cent. at the seasements, which is about as some anxious and tests on the assessments, which is about as the same anxious and the most content of the people. It is not as it was before the war, which is about as seasements, which is about as the same anxious and the most eminent about 60 mills more, giving the that of some anxious and the most eminent the same and the most eminent that of the assessments, which is about as the same and the most eminent that of the assessments, which is about as the same and the most eminent that of the assessments, which is about as the same and the most eminent that of the most under the most make thoroughly, according to the distinction who has a club-loot, don't the most under the most are now same and the most eminent that of the most under the most make thoroughly, according to the distinction which is the blowes. It was not been positively the think of the most under the most as the same fore the war. If there is a don't who have a bad harvest. Such a stoy in a school with ragged clothes, don't the most under the most and the most eminent that the form and the most eminent that the men in public positions—all who have ever used or seen it used, join in the most under the most which is about as about as about as a don't with im in his populated that the men in public positions—all who have ever used or seen it used, join in the most under the most when the most way to secure happiness is to help in making other and the most eminent that the men in public positions—all who have a bad harvest. Such a the bowth street that his the shout as a boy in a school with ragged clothes, don't there's a lame is about as a boy in school with ragged clothes, don't the most when the most when the most was one is a country in the most when the most when the most was and interest and in the most under the most when the most when the most when the most was and interest and in th the special street, school, county and State | fact." The belief, adds the Republican, "perby men who bitterly hate certain other men. ss, and the ordinary current items, and and who would willingly split and distract the special street, school, the party in order to have their own malice only and State taxation, are estimated at gratified." It concludes by warning "all who 18,000, leaving a deficiency over the \$63. are truly Republicans, and not mere campdeprovided for of \$21,000! The amount followers," to "cast aside these false guides and fomenters of discord," which mit allowed by law, and the Councils find is pretty cool when it is rememanselves in the predicament of being com- bered that the Gazette has been the party and to meet this defictency; with nearly as organ for fifty years, and the men whom it represents are among the oldest and staunchmeans of securing it except by loan. est opponents of the Democracy in the county. The campaign opens briskly, and we

The establishment of a new daily effected a remarkable change in the manner of the Dispatch's treatment of local topics, which AN ERIE BOY IN LUCK .- A boy named we are pleased to observe that it has not lemnel Jones, aged about 16 years, met abandoned since the suspension of its rival. Filia singular piece of good fortune near | Were a little of the same moderation to be introduced now into its telegraphic and political departments, our cotemporary would render itself more acceptable to a large class walk to Chicago, and had accomplished of its readers, and add largely to its reputahave a liberal acquaintance with the Radical press of the country, and in the whole range and tape. Upon opening it \$6,000 of our acquaintance, we do not know a jourmethacks were disclosed to the glisten nal of that party which so systematically, unfairly and indecently traduces Democratic men and measures as the Dispatch. Even Forney's Press and the Harrisbury Telegraph, which have won the reputation of being the most unscrupulous Radical sheets in America, are obliged at times to hide their diminished heads in comparison with the vulgarity and malice of our "independent" o, were somewhat injured from wet, but cotemporary. We are perfectly familiar with Cleveland he took the cars for the re- the Dispatch to appear more Radical than it lock tree near that borough. It is supposed hinder of his journey—feeling that he could, really means, but it can hardly be necessary to commend it to the party favor that it need out-Herod Herod in low and untruthful flings at everything of a Democratic or Conservative nature. Let it at least have the courtesy to confine its politics to the department where they belong, and not flaunt them before Democratic readers who are compelled by necessity to resort to its columns for their telegraphic and local intelligence

THE quarrel between the Drew and Vanto of these, the Merchant and City of derbit factions in New York begins to wear describes one as a "self conceited factionist and only an aspect of local interest. It is said to be who thinks every one a political scoundrel argues that the character which its inhabitants the of the kind ever built on the lakes. The the purpose of the Drew party, if they can who does not sympathize in his political give to a city has vastly more to do with its Tof Philadelphia is entirely new, and has retain control of the Erie Road, to make a hates and prejudices," and others as "men Tring capacity of 1400 tons. Arrange- hold strike for the Western trade, by extendhave been made which ensure the ing the broad guage from Akron to Toledo, Ohio, thus diverting a large share of the business which now passes our city to anothblived at a rate of speed which ensures er route. The Vanderbilt party propose to son, Scoffeld, or who does it refer to? We habit of belittling its reputation, and carping lay down a third rail on the Eric and Lake Shore Roads, making them equally convenithe establishment of a through trade ent for ears of either guage, and retaining the trade where it is at present. Why not compromise the matter by extending the Erie road to our harbor and making this the western terminus of both these great routes?

LOCAL BREVITIES

The best forms of notes and blanks n the city at the Observer office. tf.

We have complaints from our Wesleyville subscribers that they do not receive their papers regularly. Will the Postmaster at that place see to having the matter remedied? THE thief who stole W. F. Clark's overcoat in Meadville has returned the papers which it contained. He is a more honorable rascal at least than the one who ran away

with ours. PERSONS wishing photographs from Chamber's, St. Clair's and a portion of Palmer's negatives, can have them by leaving their orders at Ohlwiler's photograph rooms, Rosenzweig's Block. apr2-8t

THE Democracy of New Castle have organized a club, which seems to be in a highly prosperous condition. How long will it e until we can give the same report of every important town in Erie county?

THE President has signed the bill releasing domestic manufacturers from the inter- sult of the benefit of taking this law is a disnal tax, and it is now a law. It will effect a charge from all indebtedness. In cases saving of many thousands of dollars to the where there is no contest, it requires from manufacturers of Eric city and county.

It isn't always necessary to go to Ireland for awkward use of the Queen's English. Speaking of marriage and obituary notices, the Dunkirk Journal says: "We shall at all times be glad to publish such announcements."

THE Masonic order is spreading so rapidly in this section that it will not be long until every town of five hundred inhabitants or over will possess a lodge. A charter has been obtained for one at Waterford, and it will soon be placed in operation.

Geo. H. Cutier, Esq., is announced as a candidate for the Republican nomination for Congress. The contest for that position promises to be unusually lively, there being no less than half a dozen aspirants named in Erie county alone, not to name the other counties of the district.

THE Republican gives notice that it "is pledged to the support of no man who aspires to Congressional honors in this district," and adds that its "columns are open to a fair and onen discussion of the merits of rival candidates for the nomination." It takes the precaution to add that they must be free from "scurrilous and personal abuse."

TIMOTHY McCarty, a well known Irish citizen, employed on the track at the junction of the Lake Shore and Philadelphia roads, was caught between two cars, on Saturday afternoon, and instantly killed. No bruises were found upon the body, and it is presumed that the concussion caused his death. He was a man about sixty years of was more worthy of public confidence than age, and leaves a large family.

THE Forest Press-contradicts a rumor that him of being in sympathy with Radicalism Wm. Hunter, Esq., formerly of Tionesta, but | will be regarded as a huge joke by those who now a resident of Oak Grove, in this county, are acquainted with the facts. Mr. Walker's has changed to Radicalism-the correction personal relations with both the candidates being necessary, it quietly remarks, because Mr. H. is "a gentleman vet in the vigor of gentleman of too much firmness of character mind, who feels jealous of his reputation to regret the course he pursued, or to seek generally, and more particularly among his to have it "sugar coated" in the lame manner life long friends and neighbors."

THE Father Mathew Society has elected the following officers for the coming year: President, Rev. Thomas Carroll; Secretary, Thomas Flynn; Treasurer, M. A. Quinn; Marshall, Daniel Downey; Sergeants-at-Arms, Frank Healy and John Preston. The efficient service rendered by this association in the cause of temperance entitles it to the on the same day as the general elections in encouragement of all who have the interests October. The effect of this change will be of society at heart, irrespective of their reli- to make everything turn upon politics, and gious or political creed.

THE Conneautville Crisis, having been removed to Girard, made its first appearance from its new location last week, presenting the same general features as before. It announces its determination to sustain Democratic principles, pure and unadulterated, and pense, but we question whether this will be and accuses them of being "determined to Desider the nuisance of Desider the n nu accuses them of being "determined to President, "subject to the decision of the having the selection of all city, borough and National Bornard". editor of the Crisis, Major Fields, wields a ready pen, and will give the Radicals some effective blows during the ensuing campaign.

Children, don't forget that you owe it to kind, generous, and magnanimous. If there's

whose name it bears. The editors and proprictors are Messra, J. B. Spiese and W. H. H. Sieg, one of whom, Mr. Sieg, is an old of the city. A prominent citizen remarked, friend and fellow-typo, whom we heartily the other day, that it would add ten per cent. commend to the fraternity as a gentleman of integrity and enterprise, fully worthy of their confidence and patronage. The paper is edited in a sprightly vein, contains much of the danger of the railroad crossing is an interest to the order, and ought to have a wide circulation.

THE Republican thinks if Mr. Hewlett, the temperance orator, had "announced some humbug subject with a sensational title he would probably have drawn a much larger audience." Is this a "sly dig" at Anna Dickinson, Theodore Tilton, and the rest of the mountebanks in male and female attire, who | Fields, the editor of the latter paper, in the have spouted their Radicalism during the following pertinent vein: past few years, at much profit to themselves and very little to their hearers? We commend our cotemporary upon the streak of good sense which has evidently penetrated its editorial room.

The Dispatch advances the idea that unless the "conflicting personal influences" at
work in the Radical ranks are forced out of
sight, "a conservative Democrat will be put

less the Cold and other than the Cold and the Col into the field and elected" to Congress. It wants on true, able and popular man for the candidate," and presents Ex-Mayor King as one who comes up to the required standard. Mr. King possesses more availability than the political arena.

THE body of John Simmer, a Swiss, who disappeared about the 10th of August last. from his residence at Fairview, was discovthe fact that circumstances seem to require ered on Saturday suspended in a hemthat the loss of relations caused him to commit suicide, and that he took this plan of effecting it. When discovered, the body was twenty-five feet from the ground, and so hidden by boughs as not to be perceptible from the road, though only a few rods dis- of sulphur in a glass of water, and give a tant. A rope was fast to his neck and a chain around the body, securing it to the tree. disease is cured in two days, the only symp-The flesh had dried away, leaving the body literally "nothing but skin and bone."

> Wno does the Republican mean, when, in speaking of certain members of its party, it who hitterly hate certain other men, and who would willingly distract the party in order to press of a community should ever stand have their own malice gratified?" G. W. P. SHERWIS. City Engineer.

G. W. F. SHERWIN, City Engineer. Assignee in Bankruptcy. NTHE DISTRICT COURT of the United in for the Western District of Pennsylvan the matter of Samuel F. Andrews, bank The undersigned hereby gives notice of his ap-pointment as assigned of flam? I F. Andrews, of Eris city, Eris Co., and State of Pennsylvania, within said district, who has been adjudged a bankrupt upon his own petition, by the District Court of said district, dated at Eris, Pa., April 14, A. D., 1885.

HENRY M. RIBLET, Assignee, No. 1839 Peach St., Eric, Pa. apri6-3w... John Lindt, 1240 Peach Street - Retail Tealer in GROCERIES. PROVISIONS. Having lately opened an entirely new stock New Adbertigements.

Treasurer's Sales of Unseated Lands on fifty cents on the dollar, or has obtained a release from enough of his creditors to pay fifty cents on the dollar to the remainder. All who expect to apply for certificates of bankruptcy, without property sufficient to comply with the above conditions, should hurry up or they will be counted out. Those who apply for the benefits of bankruptcy, previous to June, have these advantages:

Any person or firm owing \$500 or appward can come under the provisions of the act, upon surrendering his or their property, and making a pro rata division among creditors.

Household furniture, &c., to the amount of \$500; the family wearing apparel; uniform, arms and apparel worn in the service; and a homestead to the value of \$500, or in lien thereof. \$200 worth of personal property and the record of the man." It is evident that the editor of the m Town Lots for Taxes.

KRIE-KAST WARD. thereof, \$300 worth of personal property, are that sort which can be made to cut both exempt.

If the applicant has only so much property.

double, we are informed, that of the same period in any previous year. This fact speaks volumes for the efficiency and energy with which the office is managed by Mr. Hills.

The Gazette heads the impeachment proceedings "The Great Trial." They are certainly a "Great Trial." They are certainly a "Great Trial" to the patience of every citizen who respects justice, and entertains a regard for the reputation of his country.

Congress issues a weekly official report of the impeachment proceedings, for regular pies of which we are indebted to the courty of Judge Scotled.
