ture in that direction, when we were younger and less experienced, and after getting out of it with an empty purse and broken constitution, resolved never to be caught in the same scrape again.

ENCOURAGED by the success which has attended the Young Men's Christian Association, a number of our German citizens are about making an effort to establish a library in the city, to comprise all the standard works and publications in their language. The arrangements are not completed but we understand that sufficient encouragement has been extended to warrant the belief that a large sum can be procured for the object. A number of our American born residents have volunteered liberal contributions in behalf of the library.

THE Gazette is displeased because the Republican County Committee has not issued a call for the primary elections, and, by way of contrast, cites the course of the Crawford Co. Committee, with approbatory comments. The latter are given credit for "not lagging behind," while the inactivity of the former is ters." Wo are sorely distressed to learh quent appeals of the Gazette as deserving of

Concress having reduced the tax on pe trôleum one-half, a movement is now on foot to abolish it entirely, or place it at a figure proportionate to other articles of domes tic produce. HALL'S
WEEPEL SIGUAL
HAIR
KANEWER. One Hair restored to its original Youthful Color by the task, it was not been a substituted by the color by the task, are copi in very agent persons, as it furnishes the mutritive prisonals by which the hair is non-

ished and supported.

It will prevent the hair from falting out, and does not stain the skile.

Not better eridence of its superiority need be addressed than the fact that so many, imitations of it are usured to the yealth.

It is a splended sair dreaming.
