Now and then we make a morning call, but who thinks of spending an evening with them ?" "Come, come, you are too severe. A good many of them are really brilliant talkers, at least I find them so."	mest watchful vigilance could secure, to ex- ercise my power, was permitted to pass by unimproved. A firth story is told by the Venango Spec- tator, of a Badical Hollander, in Ganal town- ship, who received a written notice from the Shefiff of the county, who is also Chairman of the, Radical County Committee, telling him to stand at the polls all day and watch things. He accordingly took his position, but after a few hours became faigued. Tak- ing an old Democrat to, one side he showed him, the Sheriff's order, and said: "I ish tired as der tuyvil of dish. Vot you dinksdey would do mit me if I goes away mit mine- self!" A rue in Zanesville, Ohio, took a flying leap, the other evening, at which human gymnasts would be apt to balk. He had walked up a stairway in pursuit of proven- der, and, being cornered by a number of peo- ole in the house, plunged through a third- story dormer window, slipped down the aloning roof to the even, and then jumped or fell to the ground, some twenty-five feet. Withs a grunt of lively disastisfaction at the	sult was as stated. THERE was a very frascible old gentleman who formerly held the position of Justice of the Peace in one of our cities. Going down the main street one day, one of the boys spoke to him without coming up to his honor's idea of deference. "Young man, I fine you five dollars for contempt of court." "Why, Judge said the offender, "you are not in session." "This court," responded the judge, thoroughly irritated, "is always in ses- sion, and consequently always an object of contempt!" THERE are a thousand pretty and engag- ing little ways which every person may put on without running the risk of being deemed affected or foppish. The sweet smile, the cordial bow, the earnest movement in ad- dressing a friend, the inquiring glance, the graceful attention. which is so captivating when united with self-possessionthese will insure us the good regards of even a churl. Above all, there is a certain softness of man- ner which should be cultivated, and which, in either man or woman, aids a charm that almost entirely compensates for lack of beau- ry, and inestimably enhances the latter, if it does exist.
