NO MORE BALD HEADS! NO MORE GRAY LOCKS. Dr. Leon's Electric Hair Renewer

Dr. Leon's Electric Hair Renewer

Is pronounced by all who have used it the very best preparation for the hair. It is a positive cure for baldness, eradicates dandruff and humors, stops the hair from failing out, and speedly restores gray locks to their original hue and luxuriance.

It operates on the secretions and fills the glands with new life and coloring matter. Thin, dend, faded or gray hair will always be brought back, by a few applications, to its youthful abundance, vitality and color.

It makes the hair soft, glossy, fragmant, pleasant to the touch and easy to arrange. Dry, wiry and intractable locks become moist, pliant and disposed to remain in any desired position. As a Hair Dressing it has no equal. The sales are enormous, and it is a universal favorite with old and young of both sexes.

Something New. Buy Silver Tipped Shoes for your children. A majority of the children was rholes in the toes of their shoes in a very few days; then the shoes are soon worthless, and a new pair must be bought. The only way to prevent this great waste of money is to buy shoes protected by silver tips. They hever wear out at the toe, and make a pair of shoes last three times as long as without Tips. Leather Caps have been worn to some extent, but they have proved worthless. Silver Tips have a neat and substantial appearance, and do away entirely with the disagreenhle sight of dirty stockings and protruding toes. We have constantly on hand the only assoriment of Silver Tipped Shoes to be found in the city, including fine Sewed shoes, Balmorais, Youth's Boots, &c., which we offer, together with a large and fent's Fine and Heavy goods, at the lowest cash prices.
