NO MORE BALD HEADS!

NO MORE GRAY LOCKS.

Dr. Leon's Electric Hair Renewer

Is pronounced by all who have used it the very best preparation for the hair. It is a positive cure for baldness, eradicates dandruff and humors, stops the hair from falling out, and speedily restores gray locks to their original hue and luxuriance.

It operates on the secretions and fills the glands with new life and coloring matter. Thin, dead, faded or gray hair will always be brought back, by a few applications, to its youthful abundance, vitality and color.

It makes the hair soft, glossy, fragrant, pleasant to the touch and easy to arrange. Dry, wiry and intractable locks become moist, pliant and disposed to remain in any desired position. As a Hair Dressing it has no equal. The sales are enormous, and it is a universal favorite with old and young of both sexes.

White Men Must Rule America.

CLUBS FOR 1868---CLUBS FOR 1868.

The Best New York Weekly Published.

NEW YORK DAY BOOK!

FOR 1868.

The New York *Day-Book* is a straightforward Radical Democratic paper, with a larger circulation than any other Democratic journal ever published on this continent, and it is on the threshold of 1868 more prosperous and more hopeful of the great cause it upholds than ever before. Standing on the Declaration of Independence, that "all (white) men are equal," and therefore entitled to equal rights, it is opposed to all forms and degrees of special legislation that conflict with this grand central truth of Democracy, and over all and above all, does it combat that monstrous treason to American liberty, which, thrusting the negro element into our political system, must of necessity wreck the whole mighty fabric left us by our fathers. God has created white men superior and negroes inferior, and therefore all the efforts of the past six years to abolish His work and equalize with negroes—every law violated, every State Constitution overthrown, every life sacrificed, and every dollar expended, are necessarily just so many steps towards national suicide; and the simple and awful problem now upon us is just this—shall we recover our reason and retrace our steps, or march on to Mongrelism, social anarchy, and the total ruin of our country.

The Day Book, therefore, demands the restoration of the "Union as it was"—a Union of co-equal States upon the white basis, as the only hope, and the only means possible under heaven for saving the grand ideas of 1776, and the fundamental principles of American liberty, and if the real freemen, and the earnest believers in that sacred and glorious cause in which the men of the Revolution offered up their lives will now labor to expose the ignorance, delusion and treason of the Mongrel party, it will succeed, and the white Republic of Washington be restored again in all its original influence and grandeur.

The Day Book will, however, hereafter be more than ever devoted to all the varied purposes of a news paper. Conscious that it reaches thousands of families who take no other journal, beyond perhaps their local paper, it will continue and improve its "News of the Week" Summary, so as to present a transcript of the World's events in each issue. Its "*Family Department*" will embrace the best original and selected stories. Its "Agricultural Department" will be fully sustained, and being the only paper of its class made up expressly for country circulation, it is confident it is worth double the price of a weekly hurriedly reprinted from a daily. It gives full and complete reports of the New York and Albany Cattle Markets; Grain, Provisions and Cotton Markets, and a Weekly review of Financial matters, together with the markets, by telegraph, from New Orleans, Cairo, Charleston, Philadelphia, &c., &c., up to time of going to press.

Something New.

Buy Silver Tipped Shoes for your children. A majority of the children wear holes in the toes of their shoes in a very few days; then the shoes are soon worthless, and a new pair must be bought. The only way to prevent this great waste of money is to buy shoes protected by silver tips. They never wear out at the toe, and make a pair of shoes last three times as long as without Tips. Leather Caps have been worn to some extent, but they have proved worthless. Silver Tips have a neat and substantial appearance, and do away entirely with the disagreeable sight of dirty stockings and protruding toes. We have constantly on hand the only assortment of Silver Tipped Shoes to be found in the city, including fine Sewed Shoes, Balmorals, Youths' Boots, &c., which we offer, together with a large and fashionable assortment of Ladies' and Gents' Fine and Heavy goods, at the lowest cash prices.

Democratic Journal in Pennsylvania!

The Lancaster Intelligencer, established in 1799, has always been known as a first-class Political and Family Newspaper. The Weekly Intelligencer is now the largest Democratic paper published in Pennsylvania. It has lately been greatly improved in all respects, and is just such a paper as every Democrat should take.

The publishers of the Intelligencer regard it to be the duty of every Democrat to support his county papers in preference to any other; but as there are many who will be likely to subscribe for more than one paper during the pending Presidential campaign, they have concluded to offer the Weekly Intelligencer at the following low rates:

Single copies, one year, $2,00; Five copies $9,00; Ten copies $17,00; Twenty copies $32,00; Thirty copies $45,00; Fifty copies, to one address, $60,00; Eighty copies, to one address, $80,00. Daily Intelligencer $5,00 per annum.
