HOOPLAND'S GERMAN BITTERS,

Hoofland's German Tonic, The great Remedies for all Diseases of the Liver, Stomach or Digestive Organs.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medicinally termed, Herbs and Barks, tion highly concentrated and entirely free frem alcoholic kind.

Hoofland's German Tonic is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, etc., making one of the most pleasant and agreeable remedies ever offered to be public.

Those preferring a Medicine, free from Alconolic admixture, will use

HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combina on of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dysbellity, etc., is very closs deranged. The object of the stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fuliness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fuliness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurrled or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning of the Fiesh, Constant Imaginings of Evil and Great Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, that which he is as true from his investigations and intrue merit, is skill fully compounded is free from injurious ingredients and has established for itself a reputation for the cure of these diseases, in this connection we would submit these well-known remedles—

HOOFLAND'S

GERMAN BITTERS.

HOOFLAND'S GERMAN TONIC,

Prepared by DR. C. M. JACKSON,

Philadelphia, Pa. Twenty-two years since they were first intro-duced into this country from Germany, during which time they have undoubtedly performed more cures, and benefitted suffering luminality to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Compisint, Jaundies, Or Nervous Debility, Chronic Diseases of the Kides arising from a disease, from the Chronic Chronic Diseases of the Kides arising from a disease or dered Liver, Stomach, or Intestines.

DEBILITY, Resulting from any cause whatever; Prostra-Labor, Hardships, Exposure, Fevers, Etc,

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow linge is eradicated from the eyes, a bloom is given to the checks, and the weak and nervous invalid becomes a strong and healthy being. Persons advanced in life, and feeling the hand of time weighing heavily upon them, with all its attendant ills, will flud in the use of this HATTERS, or the TONIC, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

Address of the Democratic State Com TO THE PEOPLE OF PENNSYLVANIA: The Radicals re-produce the stale slanders of the past, and try to ignore the grave ques-

They prate of their loyalty and make it the excuse for their corruption, their extravagance and misrule.

They imagine that you have slept during the three years of their iniquitous misgovern-ment, and that you will forget that taxation oppressed you, that your commerce lan-guishes, and that your business is broken up. They have proven themselves powerful

They have proven memserves powerful to destroy and powerless to restore.

Their only policy is hate, and upon this they ask a new lease of power, forgetful that a thinking and a practical people require them to answer:

Why is the national debt preater now than when Lee surrendered, and why does it still what has become of the fifteen hundred millions of dollars they have wrung from the omforts and necessities of the people since

Why are more than one hundred millions of dollars annually wasted on the unrecon-structed South, and why is it not made to yield us as much, to relieve us from taxation, and aid in paying our debt? Why is the white man made inferior to the Why is the white man made interior to the regro in every Southern State?

Why is one class of men totally exempt from taxation whilst all others groan beneath the load they should aid in bearing?

Gen. Grant and the Angel. Ulysses Grant one night laid down to rest, His eyes were closed—hands folded on his

"Ulysses!" cried the angel, "I am sent

Ulysses looked the angel in the eye,
Then, while his besom heaved a monstroussigh,
He said: "Bright angel! come'st from yonder star? Be seated, pray, and try a good eigar."
"Nay! nay! Ulysses; angels never smoke."
"Impossible!" cried U.; "you surely joke."

U. ope'd one eye, and then the angel heard,

With is Living so High?—The producers of the country—the farmers, mechanics and laboring men—are anxiously inquiring why taxes are so high, and as anxiously seeking The dishes on your table.
All you eat off them.
The laboring man of the country, who owns a little house and lot, which he has earned by toiling from early morning to night, pays State tax, county tax, school tax, road tax upon it; while his next door neighbor, who is a bondholder, owning fifty thousand dollars in bonds, pays no taxes whatever, draws interest in gold, and laughs at his unfortunate neighbor, who has his money in a little home! If the masses of laborsome means of escaping from their onerous and increasing burdens. The Radical poli-ticians tell them that it is the legacy left by our long and expensive civil war. This is also a Freedman's Bureau, established for the avowed object of taking care of the negroes, but really to give fat positions and stealings to hordes of lazy office-seekers. This luxury costs thirty million dollars more.

What makes living so dear and reuts so

what makes living so itear and reits so high? Simply the ruinous policy of the Radical party. The Southern States instead of being a huge incubus upon the labor of the North, might help to pay the National debt, and help bear the burdens of taxation. Instead of producing, the South is consuming at least one hundred and thirty million dol. The different issues of United States securities are as follows:

Interest on them is 6 per cent. in gold, payable January 1 and July 1. Bonds; both coupon and registered. The amount issued is \$246.331.400. Radical party in power is keeping a huge standing army, and a corrupt, enervating, useless Freedmen's Bureau, at a cost of one hundred and thirty million dollars every year. So long as the reins of government are in the hands of the extremists, just so long will the necessaries of life continue high, rents dear, and taxes continue to wear out and exhaust the energies of the people.

Yes, you are. Your neighbors and friends believed you sincere.
By that line of argument you induced some of them to vote with you. The time you referred to has arrived. What do you propose to do? If your love of country predominates over your political prejudice, the time has come when you will prove the sincerity of your words, by noble and magnanimous action. Come then, and go with us. HON. JAMES THOMPSON, Judge of the Supreme Court of Pennsylvania "I consider Hoofsna's German Bitters a valuable medicine in ease of attacks of Indigestion or Dyspepsia. I can certify this from my experience. Yours with respect.

DR. JACKSON-Dear SIT:-I have frequently been requested to connect my name with rocommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in My own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course to express my full conviction that, for General Debility of the System, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but, usually, I doubt not, it will be very beneficial to those who suffer from the above cause.
