White Men Must Rule America. CLUBS FOR 1868--CLUBS FOR 1868. The Best New York Weekly Published. NEW YORK DAY BOOK!

FOR 1868.

The New York Day-Book is a straightforward Radical Democratic paper, with a larger circulation than any other Democratic journal ever published on this continent, and it enters on the threshold of 180s more prosperous and more hopeful of the great cause it upholds than ever before. Standing on the Declaration of Independence, that "all (white) men are equal," and therefore entitled to equal rights, it is opposed to all forms and degrees of special legislation that condite with this grand central trath of Democracy, and over all and above all, does it combat that monstrous treason to American liberty, which, thrusting the negro element into our political system, must of necessity wreck the whole mighty fabric left us by our fathers. God has created white men superior and negroes interior, and therefore all the efforts of the past six years to abolish His work and equalize with negroes—query law violated, every State Constitution overthrown, every life sacrificed, and every dollar expended, are necessarily just so many steps towards national suicide; and the simple and awful proclem now upon us is just this—shall we recover our reason and retrace our steps, or march on to Mongrelism, social anarchy, and the total ruin of our country. r country. The Day Book, therefore, demands the rest ation of the "Union as it was"—a Union of ce qual states apon the white basis, as the onl ope, and the only means possible under heave or saving the grand ideas of 1776, and the fun mental priciples of American liberty, and he real freemen, and the earnest believers in that sacred and glorious cause in which iden of the lievolution offered up their live (ill now labor to expose the ignorance delusion)
