READ! READ! READ!

THE MOST IMPORTANT ISSUE

I VER PRESENTED for the consideration of the American people is now before us. What hall we do with it? It is a subject that should engage the attention and elicit the most profound consideration of every loyal, patriodic mind. And as the consideration of this issue seems to be monopolized by the lords of creations, they claiming to have the sole right to participate, dispose of and enjoy the fruits thereof. We would therefore, for the benefit of those concerned, present another issue fraught with interest, and in which, as yet, the Ladies have taken the most prominent part, viz: The Daily and Extensive Issue of Dry Goods FROM THE ESTABLISHMENT OF

EDSON, CHURCHILL & CO.,

We court the patronage of the public, and the competition of the fraternity, for "YE OLD FOGIES" Still live, and sell goods at prices that allow the public to live also.
