INCOME RETURNS.—All persons interested should know that income returns must be made on or before the 1st day of March, and any person failing to make return by that date is liable to be assessed according to the best information within reach of the Assessor. Every person suspected of being liable to pay an income tax is required by law to make a sworn return no mutter whether he has been supplied with blanks or not. and even though the amount of his income may fall short of \$1,000—the amount ex-

Office 29 North-West Park, Erie. Pa. very popular gentleman, resulted in a close to place the choice of jurors in the hands of canvass and tie vote. The Democratic the Republicans. ticket was also, elected in Conewango, Glade and Pleasant townships, but we

> GONE:"—Our amiable and affectionately disposed friend of the Republican, in one of his eriodical attacks of Observer "strabismus," indulges in a "wonderfully amusing" vein of comment upon our suggestion to have a vote of the citizens taken upon the selection of Postmaster. He is in doubt who is expected to vote, how the voting is to be done, "what scope of country would be included," and on a variety of questions that are of equal if not greater importance. If may seem very strange to some that to one of such unlimited and among those who know the effect of the sore affliction referred to upon his system no explanation will be necessary. Whenever these ittacks come on, our neighbor's usually gifted intellect becomes, as it were, wrapped in a cloud, he conceives that the atmosphere is filled with demons labelled "Observers," everything is mysterious and to be looked upon with suspicion, the plainest sentences become warped in their meaning, and the distress which he stiffers is almost beyond endurance. In the tured years or more since this unaccountable complaint has troubled him, we have done all that a sympathizing nature could do to relieve the distemper, but as every effort has been in vain, we begin to des-

pair of anything less than the usual resort in A LOVER COMMITS SUICIDE.—In Greene Sassafras street, and offer to bind themselves township, about eight miles East of the city, in the sum of \$25,000 as a guarantee that lived Andrew Biker, a thrifty young farmer, they will build a blast furnace thereon and of German descent. About five years ago he have it in operation within one year from the ommenced paying his addresses to a lady time of transfer. The Committee recomwho resides in the neighborhood. and go to the Governor for his signature: An act to exempt from taxation the grounds

which was published in pur last issue, passed the Senate on Tuesday. Instead of being limited to cases involving less than \$100, Justices will have authority in future to dispose of ontroversies, where the sum is not over \$300. On the same day Mr. Lowry passed through the Senate an act to repeal the legislation of last winter relative to the Poor House, by which the Board was authorized to sell the present farm and apply the proceeds to the purchase of a new one. Also, an act to provide for the election of ward and township tax-collectors by the people. Mr. Rea read empted by law.

Local Election in the borough of missioners in the selection of into in the Warren, and the township elections in War counties of Eric, Crawford and Warren, and

JURY COMMISSIONER.-An Ohlo corres have not learned the result in the balance of mondent of the Pittsburgh Post writes to that paper for information in regard to the workings of the Jury Commissioner law, in this State, and whether it prevents the election of a partizan jury. The response of the Post so aptly describes the situation in our own county, that we copy it in full :

"Prior to the passage of the act there were just grounds enough for the complaint that just grounds enough for the complaint that the party in the minority never had a fair proportion upon the juries; and forten not a single man could be found upon an entire venire differing in politics from those wind placed his name on the list. During the past eight years, party feeling ran so high, and politicians became so unscrupulous, that courts and juries were controlled wherever three necessary and possible. In addition passed by almost unnotices. A failing off it was necessary and possible. In addition to this the little patronage, small per diem of jurors, was used to gratily the hangers on of party. The result was, the jury box was filled with loafers or worse, and the trial by jury reduced to a mocket.

illed with loafers or worse, and the trial by jury reduced to a mockery.

"Now the Commissioners are checks upon each other. Each is anxious that the representatives of his party shall be more intelligent and reputable than those of the opposition. Hence in those counties in which the system of choosing turors his Commissioners. system of choosing jurors by Commissioners prevails, there is a much better class of jurymen, and in cases in which party feeling may have an influence, neither can obtain undue advantage. We think the system very beneficial to the administration of justice."

THE CITY WATER AOTS.—At the regular meeting of Councils, on Monday evening, the Committee, to whom was referred the proposition of Henry Rawle and others, reported in favor of their proposal. The latter agree to pay the sum of \$5,000 tor a deed of fifteen water lois, belonging to the city, opposite ing the city to grant them fifteen and five water lots, respectively, were presented-the

How the People are Humbuggen. On the first page of to-day's paper, will be found a very readable article on the manner in which the unsuspecting are "taken in" liv the liberal offers made by the managers of New York lottery concerns, and "gift enterprise" swindles. Our principal reason for publishing this expose, is to warn any of our readers who may feel disposed to accept the liberal offers which are made by these bogus establishments that their money will be fost ative to the liability of railroad employes if they bife at the spiceous baif so temptingly displayed. The article on our outside is written by a person who is thoroughly con-versant with all the tricks of the business and who is therefore fully competent to expose the manner in which such institutions are

Good Advice.-At the anniversary celebration of the Harrisburg Typographical Union, on Saturday last, Hon. I. B. Gara, Deputy Secretary of the Commonwealth, responded to the third toast—"The Commonwealth." In the course of this remarks he

TAX COLLECTING .- A bill is now pending in the State Legislature providing that the the people instead of being appointed by the duties of a claim agent, and have enabled of this kind. The bill presented by Repretially the same as that which works so economically and successfully in Ohio, strikes us as being the best plan yet offered for the col-

FOR TOBACCO CHEWERS. - Some arithme tician calculates that if a tobacco chewer consumes two inches of a plug a day, for fifty years, the amount chewed in that period will be 3,000 feet, or ever half a mile of solid tobroad, costing \$2,095. If he ejects one pint of saliva per day for the same length of time the total will be nearly 2,300 gailons-almost enough to float the Great Eastern.

An Ennon.-We stated in a recent issue that the legal expenses in each case of bankruptey was about \$250, but have since learned that this is erroneous. Register Woodruff ers, does not foot up more than one hundred and ten dollars.

WEEKLY OBSERVER LOCAL LEGISLATION.—The following bills Hysterico's DINAPPEARANCE.—About the have passed finally in the State Legislature, first of this month a man going by the name of C. Norton, arrived in this city, and announced himself as having come to establish of the Lake Shore Seminary, at North East. a confectionary store on a large scale, above To be Ordan Thomas A. Casey, son An act describing the payment of certain the depot. He leased the room of C. Woltge, of our townsman dames Casey, Eag., and fines to said Seminary by the Courts of Eric No. 1917 Peach street, for a term of gears, another young gentleman who has been his county.
