THE SPRING ELECTIONS ABOLISHED .- The mitted some grave act of personal indignity. bill introduced by Mr. Lowry, to change the time of holding the township, borough and disinterested notice "was doubtless written for city elections in this county, heretofore occurthe exact use to nhich it is put,"

ring in March, to the same day as the State election, in October, has passed both branches sion. How can it be that a paragraph so in. for the better but may be much for the of the Legislature, and only wants the Govnocent and truthful in itself should lead to worse. ernor's signature, which it will undoubtedly such a sinister insinuation? Certainly the receive, to become a law. The act provides mere circumstance of the Gazette's having that the various local officers chosen last mude use of it to promote some fact ious purspring shall hold over until fall, when their pose does not detract from its original intensuccessors will be chosen-thus doing away tion. But, hokl-perhaps there is something with the necessity of holding elections this "behind the scenes", that did not occur to us month. What advantage is to be gained by before ! Our amiable friend, it must be recthe policy of holding all our elections on the ollected, was, only a few months ago, of "Copsame day it would puzzle the Senator himperheads" regarded by some as the incarnaself to explain. By changing the time for tion of all that is "coppery" in Erie. Can it choosing our local officers to October, everybe possible that he has not yet become thing is made to hinge upon party issues, and blunted to the inconsistency of his present there is less likelihood of an efficient set of position, and wanted it kept secret from his officers being selected than under the old sysold party friends ? Does he still hope to retem. The hill is designed to give the Repubthin his Democratic fellowship while engaged in doing his best to defeat Democratic prinlicans more complete control of the county than they have at present, and we are much ciples? Worse still, has he concluded to bemistaken if the additional responsibility it come a "full fledged" "goose" of the Radi-

throws upon the shoulders of that party does | cal persuasion, and is he afraid that the sudnot, in course of time, make it an efficient denness of his conversion may lead to some weapon to aid in their defeat? misgivings among his new associates ? Or can if be likely that his mind is just now in ______ that uncertain state where it balances THE NEW COUNTY AGAIN FLOORED. - The

"twixt this and tother," and doesn't know persexerance of our Titusville neighbors, in exactly which side will be the most profitatheir efforts to secure a new county, entitles. ble? them to better appreciation than has thus far

Whatever it may be, we are pained and been their portion. Last fall they were staggered over the thought of having given backy enough to get a Representative of their offence to so clever a friend, and hasten to own, and strong hopes were entertained of tender our humblest apology. Our "time is his ability to carry the measure through. A purse of many thousand dollars was raised very precious," but we will take especial by private contribution, and it was resolved | pains to contradict the statement that Mr. Sloan is "local and political editor of the Rethat, cost what it might, the new county publican" whenever he authorizes us to do must be secured. In the Senate the bill was taken in charge by Mr. Lowry, and passed so. We feel that he may possibly have good by a decisive vote. When it came to the reasons for disliking to have the public know

that establishment. This the Republican as heretofore. The object is too plain for who have not suficient brains to enable them to conduct a case, and whose occupations are the naughty "lie.". It does not deny, how- gone since juries, composed of Democrats ever, that Mr. Sloan is the political and local and Republicans alike, are compelled to reneditor, as we alleged, but, as if we had com- der judgment in accordance with the law, and not through partizan appeals to political delicately suggests that our courteous and prejudice. Let the law remain as it is. A vast majority of the citizens of both parties are satisfied that it is a just and impartial one, Now, here is mystery beyond comprehen. and are opposed to a change that cannot be

> PRESENTMENT OF THE GRAND JURY .- In concluding their labors, on Wednesday of last week, the Grand Jury made the usual presentment, and among other recommendations urge that strenuous efforts be put forth by all public officers in the county, whose duty it is to do so, to suppress all schemes for lotteries, games of chance and especially the gambling at places of public entertainment. In the matter of crecting and keeping up proper guide boards in the different to comply with the laws, and recommend that measures be taken to compel the authorities to perform their duty; also that means should be taken to have the Cross Cut Railroad Company crect suitable "caution boards" at railroad crossings between the city of Corry and the State line. They think that the legislation relating to the Poor House, passed March 24th, 1868, having been approved and ratified by the people-at the polls, it would be unwise and impolitic to disturb the same now, and that the action of the Poor House Board, in accordance with said Act, should be ratified. The bill of Mr. Stranahan looking toward the more effectual suppression of frauds practised upon the public by venders of Patent Rights is endorsed. Special thanks are returned to District Attorney Eynch and the Honorable

Court for their courtesy and co-operation. AN ILLUSTRATION .- The Warren Ledger Conference was held in that town a few

Several reasons induced him to take the call into serious

section of the State where so many have gone from the party search of power and present advantage, he has remained with us 'faithful among the faithless.' He has taken time from his ardnois duties to lend his counsel and assistance to the party whenever needed, ind figally he gave conclusive testimony of his devotion to the principles of Consti-tional liberty as upheld by the Democratic party, by allowing his name to be used last fail as a candidate for Congress in a district where he and his friends all knew that suc-cess was not to be thought of. This sacrifice involved much loss of time, mete habor, and marked gratification; and many were so involved much loss of time, much labor, and the embarrassment of a hopeless and thankless evercome with joy that tears filled their eyes, while others could scarcely restrain position, and will not be without weight in recommending Judge Brown to the Conven-

congregation made a surprise visit at Mr. The sentiments here expressed are but a Cain's residence, where James 'C. Marshall, Esq., on the part of the members, presented reflex of their feelings of the entire Demochim with a thousand dollars, accompanying racy in this section of the State, and we conthe gift with a speech in which the esteem of fidently believe that the name of this disthe congregation for their pastor, and their delight at his decision, were neatly expressed. The course of Mr. Cain is all the more com-

mendable in consideration of the fact that an recognized as an able jurist and a gentleman increased salary was offered him in Philaof irreproachable public and private characdelphia, and the opportunities for winning ter, and his nomination by the Convention an oratorical reputation far superior to his would only be a just recognition of his past services to the party, while his election would lend a dignity to the official position for

LOCAL LEGISLATION The Governor's which his friends now present his claims. signature has been affixed to the bill eplarg-

ing the jurisdiction of justices of the peace in MARCH .- This month generally proves Erie county, and it is now a law, and will itself the windiest, bleakest and sloppiest of city alone is considerably larger than the these two leaders of the opposition in our take effect immediately.
