ESTABLISHED IN 1844. W ma to call your attention to my ARATION OF COMPOUND EXTRACT Alton ma to call your attention is my PREPARATION OF COMPOUND EXTRACT BUOHU. The commonent parts are HUCHU. LONG LEAR, CUBERS, JUNIPES BERRIES, Monz or PREPARATION.—Buchu in vacco. Junipes Berries, by distillation, to form a fine gin. Cubeba critracted by displacement by liquies obtained from Junipes Berries, containing very little sugar, asmall proportion of spirit, and more palatable than any now in use. The active properties are by this mode extracted. Buchu as prepared by Druggists generally, is of stark color. It is no just that emits its magrance; the action of a fame destroys this (its active principle,) leaving a dark and glutinous decection. Mims is the color of ingredients. The Euchu in my preparation predominates; the smallest quantity of the other ingredient are added, to prevent farmentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopon, nor is its Byrup—and therefore can be used in cases where fever us trainamation exists. In this you have the knowledge of the ingredients and mode of preparation. Hoping that you will favor it with a trial, and that upon imspection it will meet with your appreciation. PROSPECTUS.

THE MORNING PATRIOT.

The office of the late Patriot and Union hav-

sylvania.

From some cause or other the reading masses of the Democratic party of the great interior counties of the Mate have been compelled, either to do without the latest news or patronize journals whose political sentiments were distanted to them.

The Morning Patriet is intended to supply the ward.

The Morning Patriet is intended to supply this want.

Its proprietors are determined that no effort shall be spared, on their part, to make it fully equal, as a newspaper, to any of its competitors. Whatever the electic wires are able to communicate, up to the bour of going to press, will be furnished in its columns every morning; and its large size will enable it to givequite as much reading matter as any of its contemporaries.

As an advocate of sound political sentiments, favoring no faction, clique or section, but devoting its entire energies to the good of the whole party; as a vehicle of the latest news, and a chironicler of passing events, we are determined it shall not be excelled; and we confidently appeal to a discriminating public for that appreciation and encouragement which are indispensable to success.

THE WEEKLY PATRIOT.

THE WEEKLY PATRICE.

It is the determination of the proprietors of the Patriot 40 make their weekly journal fully equal to what the Patriot and Union was in its paimlest days. It will be one of the largest weekly papers in the State, and special pains will be taken to fill its columna with such reading matter as will be alike interesting and useful to the Farmer, the Mechanic and tine Mariof Business, and to make it an agreeable and welcome visitor in every family.

Every senson should subscribe to the paper printed in his own county, and we do not mean to enter into competition with the local papers of the State. Bit, many people take their home paper and a city paper in addition. To such we send greeting.
