Oriental Tea Company's Double Column.

TEAS AND COFFEE

BY THE SINGLE POUND, AT CARGO PRICES.

A Saving of One-Half to One-Third!

The Great Tea Company of Boston,

Which is the Largest in the World,

Would respectfully inform the citizens of Erie and surrounding country, that they have leased the Store,

No. 5 NOBLE BLOCK, ERIE, PA.,

And have fitted it up in Oriental style, and are now prepared to furnish every one with prime Teas and Coffees, at Cargo Prices. Our store in Erie will be known as the

WESTERN ORIENTAL TEA COMPANY!

It is generally understood that Tea is retailed for a larger advance on its *original* cost than any other article in the long list of household stores, which may be partially accounted for by recollecting THE GREAT NUMBER AND IMMENSE AMOUNT OF PROFITS which accumulate on it between the cultivation in China and Japan, and the consumers here, including the American Commission House there; the Importer, the Banker who furnishes the exchange; the middle men or speculators; the wholesale grocer, and the retailer. Each of these make large, and many of them enormous profits, from which it is evident that the consumer is compelled to pay many times the original cost for a pure article, or forced to use an adulterated or inferior one.

It is with a view to remedy this evil that an gigantic enterprise was formed over a year ago which has been a perfect success, and we have ventured to open a Store in Erie, so that we may better accommodate our customers west of New York State.

And in the following lists which we have selected with great care, will be found TEAS which will suit

Everybody's Taste and Everybody's Purse.

Experience shows that the best are far the cheapest on account of their great strength and flavor. The duty on a pound of good tea is no more than on an inferior one. In ordering our customers will please note the annexed

Our Coffee Department.

This is an immense institution of itself, and is undoubtedly the largest in the country. It is a fact generally understood that a large proportion of the Coffee imported is picked green and the pods opened by artificial heat. This is never so good as that which ripens naturally. The coffee buyers of this Tea Company thoroughly understand this, and examine nearly every cargo of coffee imported to the United States, and select only the *full grown, field-ripened*, for them. All the Coffee sold by this Company is ROASTED AND GROUND DAILY, by themselves, insuring its absolute purity and freshness, which they guarantee. The Company are roasting all their coffee on a new principle, which renders them particularly pure, all acidity being removed by their process of cooking, enabling persons now to take coffee who have been obliged to discontinue its use.

The Company are doing an immense business in their Coffee Department, and selling more PURE COFFEES than any other house in the country. To assist customers in making up their orders, the following Descriptive List is offered by the Company with no little pride, as embracing the largest and most carefully selected assortment of Coffees ever opened in this country.

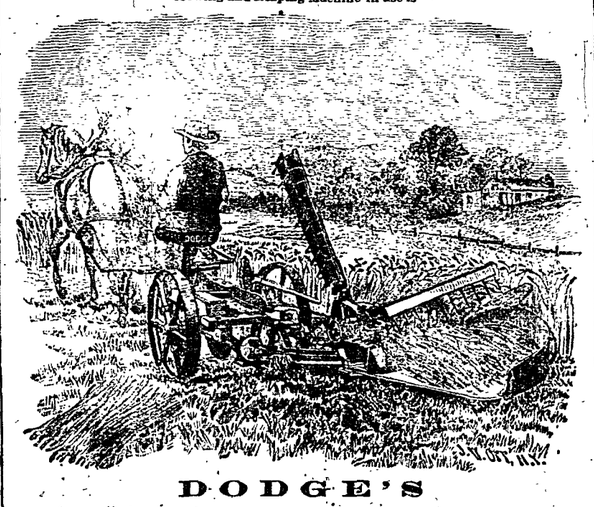
FARMERS, ATTENTION!

READ! READ! READ!

The attention of Erie and Crawford County Farmers is particularly invited to several very superior Agricultural Implements for which

W. W. PIERCE & CO.,

Have secured the sole agencies for these two counties. It is confidently claimed that the best Mowing and Reaping Machine in use is



DODGE'S

Patent Reaper and Mower, and Self-Raker!

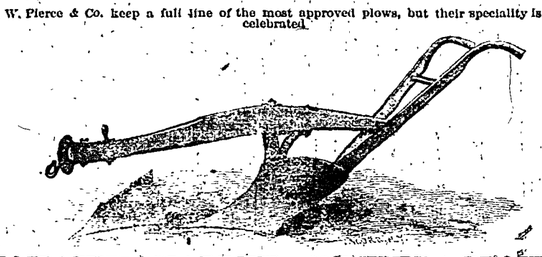
The success of the Dodge Machine for several years past is unprecedented. Wherever introduced it at once takes the front rank. By lease and purchase, the manufacturers have secured the use of all the desirable standard patents for Reaping, Mowing and Raking Machines. The Dodge Machine has thus been made a perfect combination of the best points of all the machines, and this is the reason for its undeniable superiority. In plan of operation, compactness, lightness of draft, good quality of the iron and steel used in its construction, excellence of workmanship and elegance of finish, combined with great strength and adaptation to all kinds of work, the Dodge Machine certainly surpasses any other heretofore offered to the intelligent farmers of this country.

IT MOWS, REAPS AND RAKES,

And does each and all of these easier, neater, closer, safer and better than any other machine. Pamphlets fully describing the Dodge Machine, and containing the best of testimony as to its merits, freely furnished or mailed upon application. Send for one, or call and see the Machine at W. W. PIERCE & CO.'S, No. 8 Reed House Block, Erie, Pa.

It's Time to Plow---Good Plows Make Good Crops!

W. W. Pierce & Co. keep a full line of the most approved plows, but their speciality is the celebrated



MOHAWK VALLEY CLIPPER PLOW!

This plow hardly needs a recommendation, it is so well known and so popular in all sections. It is the standard Steel Plow, thoroughly hardened, and ground upon *weistones, thereby preventing* the drawing of the temper, insuring durability, scouring and lightness of draft. These plows do not clog, do not rust, or wear out like other plows. They lay the furrow in the best style and work easy. A supply of points always kept. The Mohawk Valley Clipper Plow is believed to be the most economical and effective, and to give more general satisfaction than any other plow in use. The sole agents for Erie and Crawford counties are W. W. PIERCE & CO., who are also sole agents for the popular Iron Beam Plow. Please call and inspect the stock of Plows at "the two horse store." W. W. Pierce & Co. also keep a good stock of the most approved

Cultivators, Horse Hoes, Shovels, Plows, &c., &c.,

Which the farmers of this section are cordially invited to come and examine.

The next big thing is the

EMPIRE GRAIN DRILL!

A standard article, which only needs to be examined and tested to give satisfaction. Hon. Isaac Newton, U. S. Commissioner of Agriculture, pronounces this the best drill known to that department. Call and see it.

But the biggest thing yet is the newly introduced and novel Machine entitled

CAHOON'S BROADCAST SEED SOWER!

This is creating a great interest all over the country and is destined to rapidly become the most popular article of its class. We wish to supply it broadcast among the farmers of Erie and Crawford counties, for which we are sole agents.

The machine can be easily carried and worked by a boy, and sows from six to eight acres of wheat per hour, and the power machine, drawn by one horse, sows from fifteen to twenty acres per hour.

It sows wheat, oats, rye, barley, hemp, grass, clover or timothy, in the most uniform and perfect manner. It works beautifully, greatly economizes seed by an even distribution, and elicits the hearty commendation of every farmer who has witnessed its operation.

CAUTION! CAUTION!

Some unprincipled parties have been disposing of farm rights for a worthless article purporting to be Cahoon's Hand Broadcast Seed Sower. We have the sole agency in this section for the genuine article, and there is no territory for sale. The price of the genuine article is $10. A liberal discount will be given to the trade. Every farmer should have one of these invaluable machines.

Foster's Fertilizer and Grain Sower!

This is an approved machine for sowing seed or fertilizers. It has a fine harrow Attachment when wished for. It is light; draws easily by one horse; sows just one-half a rod wide; sows evenly any desired amount; sows plaster, lime, ashes, salt, wheat, oats, barley, etc. With attachment it sows grass seed at the same time. It can be used as a Plaster Sower, Broadcast Grain Sower, and Sulky Harrow. It has stood the test of time and use. Come and examine it.

W. W. Pierce & Co. wish it distinctly understood that of the above described articles, for which they are the sole agents in Erie and Crawford counties, ARE WARRANTED as represented. They are offered for sale with absolute confidence in their superior merits, and farmers are earnestly invited to call and examine for themselves. Everybody is always welcome at the

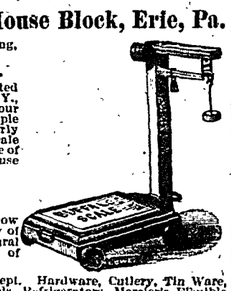
Farmer's Emporium, No. 8 Reed House Block, Erie, Pa.

Another thing that farmers need, and save money by having, is a good scale.

FAIRBANK'S PAT. SCALES.

W. W. Pierce & Co. have the sole agency for the celebrated Fairbank's Patent Scales, manufactured by the Buffalo, N. Y., Scale Works Company. These Scales are on exhibition at our store every day but Sundays, and all we ask is for the people to come and examine them. City merchants are particularly requested to test these scales. Every farmer who uses a scale finds that it soon saves its cost, and becomes a source of profit and consequent profit. Come to No. 8 Reed House and EXAMINE THE SCALES!

The Big Hardware Store!



The new and capacious store of W. W. Pierce & Co. is now stocked with the largest and finest assortment in the city of all goods pertaining to the Hardware, Cutlery, Agricultural Implements and Household Furnishing Goods lines of business.

Circular, Cross-Cut, Gang and Muley Saws, a full stock kept. Hardware, Cutlery, Tin Ware, Stoves, Furnaces, Farm Tools and Implements of all kinds, Refrigerators, Mercier's Flexible Harrows, Farmers' Rollers, Shovels, Spades, Rakes, Hoes, Axes, Shelf Goods, Carpenters' and Builders' Tools and Hardware, Dog Powers, Churns, Brass Bottles, Grindstones, Scythes, Forks, Cradles, Wheelbarrows, and in short, a vast stock of goods, all carefully selected, and marked down to the lowest market prices.

FARMERS OF ERIE COUNTY.

INGRAHAM'S

Combined Marker, Cultivator and Hiller,

MANUFACTURED BY

GEORGE B. SENNETT,

MEADVILLE, PA.

This is the most perfect and greatest Labor Saving Machine of the kind now known. The advantages of this implement over all others is not only that it cuts up, but also turns under and subdues the weeds and forms a suitable hill, leaving the soil light and therefore in a condition to retain moisture, which is only done by the extra height and peculiar curve of the tooth. They are made with shafts, or without. They can be adjusted to any width of row. The side teeth can be reversed to turn the soil to or from the rows. This machine is the only implement the farmer needs in the cultivation of corn or other coarse grains, planted or sown in rows. These machines have been thoroughly tested and are warranted to give satisfaction.

REFERENCES:

Feb uary 25th, 1869.

This certifies that we, the undersigned, purchased last season of P. Sennett, and thoroughly tested one of Ingraham's Curved Tooth, Double Pointed and Adjustable Cultivators. It is arranged to do its work in a desirable manner in all kinds of crops in their different stages for which the Cultivator and Horse Hoe is used. It thoroughly pulverizes the ground, cuts and covers up the weeds, forms a light, flat hill, leaving little or no use for the hoe, and leaves the ground in a condition to retain its lightness and moisture. We recommend them to farmers as the cheapest, most durable and greatest labor saving machine of the kind we have ever used.

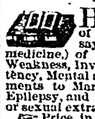
MANHOOD:



HOW LOST, HOW RESTORED. Just published, a new edition of Dr. Culverwell's Celebrated Essay on the *radical* cure (without medicine,) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, Induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no *matter what his condition may be, may cure* himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal in a plain envelope, to any address, POSTPAID, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address the Publishers, CHAS. J. C. KLINE & CO., 127 Bowery, New York, Post Office Box 4,586. Jan28-1y
