A Distressing Cough causes the friends of the sufferer almost as much pain as the sufferer himself, and should receive immediate attention. Dr. Wistar's Balsam of Wild Cherry speedily cures coughs, cold, influenza, sore throat, &c. It will always relieve consumption, and in many well-attended cases it has effected a perfect cure.

I BEG leave to state to the citizens of Mifflin, Patterson and vicinity that it is sixteen years since I had the pleasure of appearing in your town. At that time I gave an entertainment in the Court House. Since then I have been a permanent resident of Philadelphia. Any person or persons appearing before you since that time assuming my name, was deceiving the public.

At the earnest solicitations of numerous friends I have concluded to pay you another visit. Any person not satisfied that they have seen the original Blitz, can have their money refunded at the close of the entertainment.

Hoping to see all my old friends and many new ones, I remain Very respectfully, SIGNOR BLITZ.
