DR SACE'S CATARRH PEMEDY. t is the only form of instrument yet invented h which fluid medicine can be carried high up perfectly duplied to all parts of the affected na-passages, and the chambers or cavities cen-incating therewith, in which sores and alcers quently exist, and from which the catarrhal disinquently exist, and from which the catarrhal dis-charge generally proceeds. The want or success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordi-nary methods. This obstacle in the way of ef-fecting carea is entirely overcome by the invention of the Douche. In using this instrument, the Fluid is carried by its own weight, (no sausing, forcing or pumping being required,) up one nostril in a full gently flowing stream to the kighest portion of the nasal passages, passes into and theroughly cleans-esall the tubes and chambers connected therewith, and flows out of the opposite nostril. Itsue is pleas-ant, and so simple that a child can understand it. Full and explicit directions ac-company each instrument. When used with this few applications.

Symptoms of Catarrh. Frequent head-

Symptoms of Catarrh. Frequent headsehe, discharge failing into throat, sometimes profuse, watery, thick mucus, purulent, offensive, &c.
In others a dryness, dry, watery, weak or inflamed
syes, stoppingup or obstruction of nasel passacce,
ringing in ears, deafness, hawking and couphing
to clear throat, ulcerations, scafes from ulcers,
voice altered, nasal twang, offensive breath, impaired or total deprivation of sense of smell and
taste, dizriness, mental depression, loss of appetite, indigestion, enlarged tonells, tickling cough,
&c. Only a few of these symptoms are likely to
be present in any case at one time.

Br. Sago's Catarrh Remedy, when
used with Br. Pierce's Nasal Bouche,
and accompanied with the constitutional trustment which is recommended in the pamphlet
that wraps each bottle of the Remedy, is a perfect special for this loathsome disease, and the
proprietor offers, in good faith, \$500 reward
for a case he can not cure. The Remedy is mild
and pleasant to use, containing no strong or cansale
dware or poisons. The Catarrh Remedy is sold a and pleasant to use, containing no atrone or causate drugs or poisons. The Catarrh Remedy is soid at 50 cents. Douche at 50 cents, by all Druggists, or either will be mailed by proprietor on receipt of 60 cents. R. V. PIERCE, M. D., Bole Prescrietor, BUFFALO, N. Y.

SWEDISH BITTERS

OF PERUVIAN BARK.

The Recipe for this Bitters was found among the papers of a Sweedish physician, a single man, who lost his life, when lot years old, by a fall of his horse. Baid recipe then had been kept a profound terret by his family for more than three centuries. During all this time they made frequent use of the Bitters, which rendered them a strong and long living set of people, enjoying excellent health. Originally the secret of preparing this Bitters and its wonderful effects, was obtained by one of their kin, while participating in the earliest expeditions of the Spaniards in America, after a solution promise, never to divulge it but to the presumed principal betr.

THIS GENUINE SWEDISH BIT. TERS

as it is now called, has since its coming into public use, effected thousands of astonishing cures of pa-tients already given up by many physicians, and has proved lised such a powerful restorative and preser-vative itsmedy, that indeed it needs no further indi-

HOW IT OPERATES.

Carminative, Nutritious, Laxative, Dinretic Sedative, Counter-Irritant, Sudorific, Altera ive, and Anti-Bilious.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

No Person can take these Bitters according to the nature of existing irregularities or removes obstructions and remain long movell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout their entire attent, but mainly to the first place, to the nerves of the digestive organs throughout their entire takes, but mainly to the first place, to the nerves of the digestive organs throughout their entire attent, but mainly to the first place, to the nerves of the digestive organs throughout their entire attent, but mainly to the stomach and the viscoral tract. It normalises their functions, and therefore, according to the nature of existing irregularities or removes obstructions and retunious of all kind, or stope Diarrhous, Dysantery, or other anamcious discharges and effuvia. Typhus, Oriental Pest, Ship-Fever, Yellow-Fever,

ASIATIC CHOLERA The superior protective and sanative virtues of the Swedish Bitters against Malarious Fevers, Dysentery and Cholers, were most apparently tested in the late wars by French and English physicians, who by prescribing the same to their respective troops, succeeded in reducing the mortality list of spidemic dis-

DIRECTIONS All persons who have to perform long and hard bor, and while doing it, are often exposed to sudden changes of temperature, or the draft or air, or obnos-tous dusts, smells, or vapors, should not fall to use the Swedish Bitters, as a few drops of it, added to their drink, are sufficient to preserve them in inesti-mable health and vigor. Those who are accustomed to drink for water during the summer, should never omit to add some Swedish Bitters to it.

For Persons given to sedentary life should use the Swedish Bitters. It will neutralize the bad effects of their want of exercise in open air, and keep them in good health and good spirits.

To the Ladies the Swedish Bitters must especially be recommended. Because its use contributes most substitution and sessentially to preserve the regularity of the physiological functions, peculiar to the delicate female constitution and thus proves an efectual barrier against those innumerable Nervous and Blood Diseases, which now a days have grown so frequent as to be taken by

50° But the Swedish Ditters does not only secure good health; it also effects the full development of the female body, and of its heauty by perfect forms and ane complection and color.

Thus the Swedish Bitters has been

COSMETIC AND TOILET ARTICLES

Farmers and their families, who have tried Swedish Bitters, prefer it to all similar articles. Fo them it proves beneficial in various ways.

In Summer, when their calling requires them to often endure the intense heat of the sun, while per-forming hard work, they are induced to be not sufing people are very liable to suffer from sun stroke. Fever, Dysentery, Cholers, &c., &c. The regular use of the Swedish Bitters makes these dangerous influ

see all harmiess. In Winter, during the time of rest, many country people, trying to indemnify themselves for past pr vations are very apt to often overload their stomach and thus impair their digestive organs—the roots of the tree. The use of the Swedish Bitters prevents

As a matter of course, in case of sickness, the pa-tient should avoid food not agreeing with him or such, as is known, to be difficult to digest or unsuit-able to the disease in question. The rule: "Be moderate in all you est, drink or do

HOW TO TAKE SWEDISH BITTERS The Swedish Bitters shall only be taken in the ab oce of inflammatory symptoms.

Grown persons take one tablespoonful three tim per day, before or after meals, pure or dilly

Persons under 10 years, two-thirds of that quantities one-half " see-half " " see-quarter " " Children from 6 years upwards, one sighth of the

Persons accustomed to show tobacco, should ab-stain from it as much as possible, while using five-dish Bitters; they may substitute some fowers of chammonile or root of calamns, but then swallow the salvis, instead of spitting it away. In the same way smoking of tobacco should only moderately be prac-

bread or cakes, or fat or sait meats, but should take moderate exercise in free air would not should take moderate exercise in free air woulding all sunden changes of temperature, all intemperance in eating and drinking, and all undue mental excitement, by which they will contribute largely to the effectiveness of the Swedish Bitters.

R. B.—Should the Swedish Bitters not suit all tests It may be taken with some sugar, or can be dille with some sugar-water or syrup.

With some sugar-water or syrup.

Having sequired by purchase the recipe and the exclusive right of preparing the Only Genuine Swedish Bitters, heretofore prepared by Rugene Schoening, late U. S. Army Surgeon, we have, in order to frustrate fraud and deception, the name of E. Schoening burnt into the glass of each bottle and the envelope around it marked by E. Schoening's and by our own name. Bottles without these marks are spurious.
