INEGARBITTER VINECAR BITTERS

Dr. J. Walker's California Vin egar Bitters are a purely Vegetable preparation, made chiefly from the na-tive herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. "What is the cause of the unparalicled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient re-overs his health. They are the great ood purifier and a life-giving principle, perfect Renovator and Invigorator of the system.
