Because its use contributes p atially to preserve the regularity of the physiolo gical functions, peculiar to the delicate female con-stitution and thus proves an effectual barrier against Being entirely vegetable, no particular Being entirely while using them. They opthose innumerable Nervous and Blood Discusss, which now a days have grown so frequent as to be taken by Being entirely vegetable, no particular cars is required while using them. They op-rate without disturbance to the constitution, diet, or occapation. For Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tigliness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in month, Billious attacks, Pain in region of Kidneys, Internal Fever, Bloated feeling about Stomach, Rush of Blood to Head, High Col-ored Urine, Unsociability and Gloomy Forebodings, take Dr. Pierce's Pleasant Purgative Pellets. In explanation of the remedial power of my Par many for Eve's natural inherit.

But the Swedish Bitters does not only secure good health; it also effects the full development of the female body, and of its beauty by perfect forms and fine complection and color.

Thus the Swedish Batters has become one of the fast and most efficient

COSMETIC AND TOILET ARTICLES

IT Farmers and their families, who have tried Swedish Bitters, prefer it to all similar articles. For them it proves beneficial in various ways.

In Summer, when their calling requires them to often endure the lutense heat of the sun, while perorming hard work, they are induced to be not suf Actently cautions in satisfying their burning thirst by water, or in sating fruit not yet ripe, &c. Thus farming people are very liable to suffer from sun stroks. Fever, Dysentery, Cholers, Ac., Ac. The regular uss of the Swedish littlers makes these dangerous influances all harmines.

In Winter, during the time of rest, many country Do not allow any druggist to induce you to take anything else that he king say is just a good as my Pellets because he makes a happ profit on that which he recommends. If you druggist cannot supply them, enclose 25 cent and receive them he return wail from people, trying to indemnify themselves for past pri-vations are very and to often overload their stomachs and thus impair their digestive organs-the roots of the tree. The use of the Swedish Bitters prevents diseases from that cause.

As a matter of course, in case of sickness, the patient should avoid food not agreeing with him or such, as is known, to be difficult to digest or unsuitable to the disease in question.

The rule: "Be moderate in all you eat, drink or do," is strictly to be observed.
