TAR BITTERS oversionally

23. All persons who have to perform long and Scrofula, or King's Evil, White hard labor, and while doing it, are often exposed to Swellings, Ulcers, Eryspeins, Swelled Neck, Goitre, Screinburg Inflammations, Indolent audden changes of temperature, or the draft or air, er obnomious dusts, smells, or vapors, should not fail to use the Swedish Hitters, as a few drops of ores, Ernptions of the Sidn, Sore Eyes, etc. It, added to their drink, are sufficient to preserve In these, as in all other constitutional Dis-enses, WALKEN'S VINDAR BITTERS have them in inestimable health and vigor. Those who are accustomed to trink teo water during the sumhown their great curative powers in the mer, should never emit to add some five diah Rismost obstinute and intractable cases For Inflammatory and Chronic terstoll.

19. Persons given to sedentary life should use Rheumatism, Gout. Bilious, Remitthe Swellah Bitters. It will neutralize the haf of ent and Intermittent Fevers, Diseases of fects of their want of s zercise in open air, and keep the Blood, Liver, Kidneys and Bladder hose Bitters have no equal. Such Discuss are caused by Vitiated Blood. them in good health and good spirits.

AF To the Ladies the Swedish Bitlers musi specially be recommended. B cause its use con Mechanical Diseases. - Persons en tributes most essentially to preserve the regularity gaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-benters, a Miners, as they advance in life, are subje of the physiological functions, peculiar to the dailcale female constitution and thus proves an of feetnal barrier against those innumerable Norvous 100 100 and Blood Diseases, which now-a-days have grown st this, take a dose of WALKER'S VINso frequent, as to be taken by many for Eve anatoral For Skin Diseases, Eruptions, Tet. Inhelitance.

, Sult-Rheum, Blotches, Spots, Pimples istules, Boils, Carbuncles, Ring-worm 10. But the Swidtsh Hitters dies not only scents good health, it also effects the full development of cald-head, Sore Eyes, Erysipelas, Itch, curfs, Discolorations of the Skin, Humors the female body, and of its beauty by perfect forms and fine complection and color. and Disenses of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use

Thus the Swedish Bitters has beening one of the afest and most affeight

COSMETIC AND TOILET ARTICLES. Pin, Tape, and other Worms,

AP Farmers and their Families, who have tried Swedish Bitters, prefer it to all similar articles. istem of medicine, no vermifuges, no an-For them it proves beneficial in various waya. ninities will free the system from worm

In Summer, when their calling requires them to often endure the intense heat of the aun, while perporoiting hard work, they are induced to be not enficiently cautions to satisfying their burning not wet rive Ba thirst by water, or in eating Trult Thus farming people are very liable to effor from sun stroke, Faver, Dysentery, Cholers, &c. Se. The regular use of the Swedish Bitters makes then

ever you find its imparities bursting throug the skin in Pimples, Eruptions, or Soredangerous infu nees all hardless. In Winter, during the time of rest, many evening cleanse it when you find it obstructed an sluggish in the verns; cleanse it when it foul; your feelings will tell you when. Kee people, trying to indemnify themselves for path privations, are very apt to often overload their the blood pure, and the health of the system stomache and thus impair their digestive organs-the r alsof the tree. The use of the Swedich Sit-

ars prevents diseases from that canse. As a matter of course, in case of eickness, th patient abould avoid food not agreeing with him or such, as is known, to be difficult to dignet or un,

suitable to the disease in question. STATIONARY, PORTABLE AND The rule; " Be moderate in all you est, drint er do," is strictly to be observed.

HOW TO TAKE SWEDISH BITTERS.

The Swediah Bitters shall only be taken in the abarace of inflammatory symptoms. Grown persons take ope tablespoonfol three times der day, befare er after meals, pute or diluted will water,

Persons under 20 years, two thirds of that quantity 15 ens half Children from 6 years apwards, one-sighth of that

quantity, Persons accustomed to show tobacco, should ab stain from it as much as possible, while using Swed' ish Bitters; they may substitute some forers of chanmomile or root of eniamos, but there wallow the salvia, instead of spitting it away. In the same way smoking of blacks should only moderately in

practiced. Persons efficient with dyspepsia must not not bread or cakes, or fat or salt ments, but should take moderate exercise in free air volding all andden changes of t-mperature, all intemperance in esting and drinking, and all undes mental excitament by which they will contribute largely to the effective ness of the Swedish Bitters

R. 3-Should the Swedish Bitters not etil all instes, it may be taken with sense sugar, or can be diluted with some sugar-water or syrup.

Having seguired by purchase the rocips and the exclusive right of preparing the Only Genuine Swellsh Bitters, herstofore prepared by Esgens shoezing, late U. S. Army Burgeon, we have, in arder to frustrate frand and deception the name of 5. Scheening burat into the giass of each buille
