And held me that I could not move? Too fond to grieve, too sad to smile; I yielded to their silent power;-And was it but a breathing while, Or was it through a spell-bound hour, I kissed your face, an upturned flower, Whose sweetness did my soul beguile?

And then I said. "Farewell, my sweet! The hour has come and we must part; But, through the long years ere we meet, Which will you bear within your heart To comfort you when I depart-

-A memory of all the bliss That made the flying hours so bright, From the first timid, trembling kins I dared to give you one dear night, Lost in a vision of delight. Down to the perfect joy of this?

"-Forgetfulness of all the pain That happiest lovers learn to know-The doubts that come and come again. The haunting fears that will not go, The vague, faint chill presaging woe, Unconquered by love's proud discain :

"-- Which would you have, sweet? Now de Forgotten pain, remembered joy?"

"Ah, dearest!" then you said, and sighed "Love's pain is but a brief annoy But rich delights that never clov Are to his memories allied. 'Then bid my heart love's joy retain.

And sum felicity in this. That all its treasures still remain; And till we meet and live again, You shall forget love's passing pain, And I'll remember all its blis-

Miscellany.

The Big Brother.

Ah, me! but I feel to pity the boy who passed through his childhood and youth and didn't have "a big brother" to lean upon. My big brother is old and gray headed now, and I am up in my thirties, but don't we both remember those olden days?

He was eight when I was five. The door-yard was my domain, but he could wander over to Edson's creek, go down to the saw-mill and up to the wintergreen patch, and when he returned I ooked up to him as one who had traveled and viewed the whole world. in swimming, skating and fishing, wondered why he wasn't a man, for I was certain that he knew more than

When I grew older it was my big we skirted the woods at sundown in and me half a mile around.

best places to fish, the choicest apple the food. tree, the spot to look for quail's nests, the time to be on the lookout for hickdressed, and shook me awake.

is Joseph Thompson?"

etly said the reporter. Nobody ever sought his advice without

SWEDISH BITTERS OF PERUVIAN IRK

The Recipe for this Bitters was found among the apers of a Sweedish physician, a stagle man, wie oot his life, when lot years old, by a fall of its torse. Said recipe then had been kept a professe eret by his family for more than three centures During all this time they made frequent tes of the Sitters, which rendered them a strong and long lying set of people, enjoying ext ilest beats Originally the secret of propering the a stere and to wonderful effects, was obtained ye saftan kin, while participating in the early a pedition of the Spaniards in America, after a sale an pron
