H. Register. ceremony in preparing things, and most likely he'll have the impudence to publish a programme of the voyagers.

JOSEPH LONGACKE, residing along the turnpike, in Pelaware township, about one mile west of Thompsontown, met with quite a serious accident yesterday morning a week. Early on the morning of that day he inteled two taules to a wagon with hay ladders on, that stood on a floor of his barr, and Corrected weekly by J. & H. A. Stambaugh then went up on the mow for some purpose. On his return to the wagon be missed a step and fell forward against the upper cross piece that held the front end of the ladders together. The p as that held the cross piece broke, and he fell forward between the mules, and so trightened them that they ran out of the barn, dragging him along for some distance. The entanglement that held him was broken . The wagon passed over him, and he got up and went to the bouse. Physicians were summed. His left shoulder was fractured, and he was severely burt other wise. The mules ran into a clump of willows, where they became so entangled that they stopped.

A MAN was around in the town last week selfing to housekeepers a material which he represented could be used to put a silver finish on any smooth surfaced piece of metal. Pewter, brass, &c., might be made to look like silver. Subscription, \$1.50 per annum.
