Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the best satisfaction. It re-stores GRAY HALL to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy hair by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires It is the cheapest HAIR DRESS-ING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of the hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out and none need be without Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard.
