LOCAL INTELLIGENCE.

Everybody who has a turnout, sleighs. Snow has stopped fishing in the canal. A merry Christmas and a happy New Year.

The snow stopped the work on the new railroad. There is to be a hop in Gavitt's Hall next Thursday night.

The attendance of teachers during the sitting of the Institute was large. The place to get bargains is at Todd's Emporium.

Farmers rejoice because of the snow-fall. It is a protection to winter wheat. If you want to hire a good horse and sleigh, go to Todd's Livery in Patterson.

Wheat in Philadelphia was quoted on Monday, Penna. red, \$1.21 1/2. Corn 80 cents, Oats 65 1/2.

The high wind last Thursday night flung the corner crumple at Stambaugh's store into a window of that stand, and broke glass that will require \$20 to replace.

The cheapest Horse Blankets and Lap Robes ever in the county at Todd's store. The crazy tramp who was lodged in jail on the information of a citizen of Walker township, was last week taken by Sheriff Knoke to the Insane Asylum at Harrisburg.

The Pennsylvania Railroad Company commenced to issue excursion tickets to-day, which will be continued until January 5, 1875, and good for return until January 5, 1875.

The Bridge Company have doubled the plank on the river bridge. The elater that used to characterize travel around it will be heard no more. The sound produced now is that of a dull rumble.

The light seen last Thursday evening about 6 o'clock, south of Tuscarora mountain, was caused by the burning of Samuel McKee's barn in Perry county. Loss, \$1,000; insurance, \$1,000.

D. A. Harman, Principal of Free School in this borough, has lost his health to such a degree that abstinence from teaching has become necessary. His school is closed, and will remain closed for the period of two weeks at least.

Within the past week there has been a deep snow-fall reported from many parts of this county; so general has it been that it did not confine itself to America. England and France received a share. No wonder then, we had so much of it here on Sunday last.

Hornington Sabbath School have decorated, or rather have prepared a Christmas tree, which will be a prominent feature on the occasion of an entertainment to be given by the school on the evening of the 24th inst., in Hornington school house.

The Teachers' Institute, held in this place last week under the management of D. E. Robinson, County Superintendent, was a most satisfactory institute to all who attended. The manner in which Mr. Robinson has administered the affairs of Free Schools in this county has won for him an enviable reputation.

"The way of the transgressor is hard." If you are a criminal there is no escape. For recent illustrative arguments, as proof, look at the case of Gross and Underhook, and Douglas and Mosher. A thousand pages of arguments could not impress the truth so forcibly. Retribution will come sooner or later.

The Presbyterian ministerial charge over which Rev. M. Sherman presides, is composed of two congregations, each having a church building—one at Millintown, one at McAllisterville, about eight miles apart—last Saturday, in response to a call issued by a number of members residing at Millintown, a meeting, in which the McAllisterville part of the charge took no part, was held in the Presbyterian church at Millintown. Resolutions were passed, the sum of which is, that the charge should be divided, and that the question of separation or division be carried up to Presbytery at its next regular meeting.

For SALE—Eight hundred to a thousand Chestnut Bails, made of young timber. Address A. McKINLEY, McCoysville, Juniata Co., Pa.

THE new church in Patterson, belonging to the Evangelical Association, was dedicated on Sunday, Dec. 13th. The services were impressive, and were conducted by the pastor, Rev. W. S. Seibert, assisted by the Presiding Elder, Rev. A. S. Reiser, and Rev. Zechariah Hornberger. The dedicatory sermon was preached by the last named gentleman, and was thorough and able. The subject was "Leaven," and was handled so masterly as to leave nothing unsaid. The collection amounted to four hundred and fifteen dollars.

The building committee performed their work in a very satisfactory manner. Mr. Seibert is entitled to great credit for his activity and determination in this enterprise. But for him the village would be without a place where to worship. The contract for the foundation was made May 22, 1874, and the church dedicated as stated above. Mr. Joseph Brindle was the contractor, and his work was well and thoroughly done. It shows skill, neatness and workmanship. The building cost but twenty two hundred dollars, though said to be worth three thousand. The citizens of Patterson and vicinity have long desired a church in their midst, and are now to be congratulated upon such a possession.

On the night of the 24th ult. the spring house of Samuel D. Kepner, in Turbett township, was robbed. The next morning the following letter was found in the spring house. The name affixed to the letter and the name of the person to whom the letter was addressed, we do not publish:

DEAR _____: I now let you know the reason I did not come the time I said I would. The snow I thought would be light. I could not walk so far, and it was too hard and cold to leave my wife and child in the woods all night; but I am coming down on the 24th of this month, then we will go for the butter we talked of the other time I was there. You must turn this letter; leave no one living see it for God's sake, as it would betray you. I am coming down with the wagon, then I can take the rest of that corn you said you stole for me. I will give you twenty five cents per bushel for all you can get for me. The next time I come I want you to send the girls to another hotel, so that we can have a better chance by ourselves. Yours truly,

Let no one see this for any sake.

Ayer's Sarsaparilla. It is widely known as one of the most effective remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corrutives of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have linked in the system for years soon yield to this powerful medicine, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Rheumatism, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous system.
