THE great object of the leaders of the Democratic party is to carry the next Presidential election, and as many of the other elections as posssible, and 1861 as regards the civilization of the South. If the people of the North do not accept the situation, they will have to rebel, as did the Southern people, and fight the Government. That is their first clan. If that fails, because of the refusal of some of the Democrats North to submit to it, their second plan is to have the South to secode, administration. The Democrats being in power, she will be permitted to do is to be established. History furnishes many changes as great as that, and when it takes place it will only be "History repeating itself." Are you ready for the change ! Are you joined to the organization that will make it if it gets into power !
