Assignee's Sale of Lumber ! Ayer's **Hair Vigor** 

For restoring to Gray Hair in

natural Vitality and Color. A dressing which is at once agreesble, healthy, and effectual for preserv. It soon re stores faded or gray have

to its original color, with the gloss and freshness of youth. Thin hair is thickened, fall. ing hair checked, and baldness often though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will present the hair from turning gray or falling off, and consequently prevent baldness The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious sub-

not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume Prenared by Dr. J. C. Aver & Co.,
