periments to Marriage, etc.; also, Con-stinution, Epilepsy and Fita, induced by self-indulgence or sexual extravagance, &c. Price, in a sealed envelope, only six The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be rad-

ically cured without the dangerous use internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.
This Lecture should be in the hands

of every youth and every man in the land.
