Last Thursday, a child of Mr. Lucien Sieber, aged about ten years, while driving cattle on the farm of Samuel Cloek in Walker township, was set on by a bull and tossed about with such violence that its life has almost been despaired of. ENGINE No. 85, going east last Thursday evening, ran into a couple of heifers a short distance the other side of Petersburg. One was knocked down the embankment, but it was not known what had become of the other until the engine reached Huntingdon, when his call-ship was observed comfortably lying on the front part of the locomotive, above the cow-catcher. The engine was stopped, and when the calf was taken off, it walked away, and was none the worse of its encounter, save a few scratches. The words came, "Be up and walk," and to her great relief she found herself in apparent health. The doctor next morning found her restored to health without need of medical attendance. Ayer's Sarsaparilla. It is widely known as one of the most effectual remedies ever discovered for cleansing the blood, and purifying the system. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corrupting elements of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have leaked in the system for years soon yield to this powerful antidote and support. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, various internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Disordered Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. It restores the natural complexion, people feel better, and live longer. For cleansing the blood, and system moves on with renewed vigor and a new lease of life.
