tions. He recognizes the danger and nations bid fair to lead them to the perproposed by Thomas Jefferson, but be- Telegraph. cause of the unenlightened public mind on the subject at that day it was considered of no account and allowed to die out. It would have been a blessing for us if it had been settled then. His remedy is an amendment to the Constitution of the United States, that " No State shall make any law respecting any establishment of religion, or prohibiting the free exercise thereof, 5th day of January. and no money raised by taxation in any State for the support of Public Schools, or derived from any public fund therefor shall ever be under the control of any religious sect, nor shall any money pate a candidate for the Presidency. so raised ever be divided between religious sects or denominations."

The Republic is a Civil Government that allows all men to worship God acthat must be resisted

certain public funds, such, for example, of adieu :

If the country adopt an amendment to the Constitution such as proposed by Mr. Blaine, the schemes of the Catholic Church will be frustrated, and all denominations will be protected from the encroachment of any particular sect. Such an amendment would simply give life in all of the States to the idea of equality of religion before the law under the Republic.

Who will be the first Congressman to perform the high religious duty and love for man and God by proposing such an amendment to the Constitution in Congress ! The people will ratify such an amendment.

Democratic Contest for the Speak ership in Congress.

News Items.

The Lancaster Intelligencer says :-On Saturday afternoon Philip Luding was arrested for drunken and disorder conduct and locked up in a cell in station house. On Sunday morning he was found dead, having taken off his scarf, tied one of it to the grating of his cell window and with the other end made a noose which he slipped over his head and around his neck. The rindow grating being too low to suspend him he appears to have deliberately set down and in this position strangled himself. When discovered life was extinct, though the body was vet warm, showing that the suicide had en committed only a short time preously. Coroner Bair being notified, risited the station bouse and held an inquest on Luding's remains, the jury returning a verdict of suicide by hang-Luding was a married man, and leaves a wite and four daughters, residing at the corner of Pearl and Chrisan streets. He was a weaver by trade and an excellent workman, but was much given to dissipation, and had been several times before in the lockup. When there on a former occasion he declared that he would commit suicide if ever again locked up, but his threat
