1875. By order of the Committee,

Compulsory Education.

There is a compulsory education bill in the Legislature. What that body will do with it remains to be seen. One State after another have wheeled into line in some shape or other on the question of Compulsory Education, and it is probable that Pennsylvania is fated to time the bed will be graded via Colton the same result. All the comput- and Gorgonio Pass to the Colorado. sory education legislation is based on There are several thousand men workwrong premises, or basis. It is all ing on the Tehapichi Pass alone, and is the remedy for all the wrongs and on other divisions. These are all recrimes among men. Such is not the mote fields. Each of the undertakings ought to pay. case. It is the culture of the moral or is very great and costly. Each will religious qualities of men that must open a new and valuable country to ous. The latest is despaiched from desirable investment, worthy the attention of moneyed men.

Settlement and industry, and the real California last Friday, and said: A JAMES McLAUGHLIN, prove a remedy for wrongs and crimes.

beginning and active prosecution of all dispatch from Bakersfield says the Kern But there is no use of preaching against would be sufficient alone to remove Valley Bank was entered by burglars which these compulsory education laws are; the world will have to learn by sad experience what bitterness there is in it, just as it had to learn the bittertime in the course of pations) will develope a system more iniquitous than than the Moral and Religious system that grew out of the teachings of the poor, righteous twelve fishermen who followed the Redeemer of man, after their system became united to the State and unconditional repeal of the specie but withheld his name. under the power of Rome. Billions of resumption act, the withdrawal of the money, and millions of lives have been sacrificed to get the Church dismember-banks, and the substitution of green-banks, much money and how many lives it will instruct the delegates to the National take to dismember Education from the Convention to vote for Senator Booth, ifornia who will be voters when of age. State will be read in the light of com- of California, as a candidate for the ing days, a thousand years after this.

ing less in the circles of its involvement, is growing rapidly larger. Bechurches are earnest spectators and listeners, and just when the case will the Union : have an end the man liveth not who 1 Goldthwaite, Adjutant Gen., Ala. can tell. But the case looks better now for an eventual clearing up than at any time since it began. Up to within a few days Mr. Beecher has been on the defence. He was charged and recharged with unlawful love intrigues with Mrs. Tilton, and then taken into a New York court under a suit for dam ages for the same. His enemies then shielded themselves behind the techni- 13. Hewitt, calities of the law, and his friends 14. Forney, were compelled to adhere, also, to the 15. Lewis, technicalities of the law; and thus a 16. Gause, great deal of evidence, that is floating 18. Smith, around loose, and is not of any real 19. TABLE SICILIAN HAIR

Nine years before the public and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it best satisfaction. It regives the stores GRAY HAL'S to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy hair by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires It is the cheapest HAIR DRESS-ING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of the hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out. and none need be without Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the bair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Our Treatise on the Hair mailed free; send for it.
