Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

Sick Headaches and Want of Appetite.

These fee ings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating or drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow, as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

ITCHING PILES

I was sorely afflicted with one of the most distressing of all diseases Praviles or Prarigo, or more commonly known as Itching Piles. The itching at times was almost inhere exhibited, from World's Fair of 1852 tolerable, increased by scratching, and not unfrequently became quite sore.

I bought a box of "Swayne's Oistment;" its use gave me quick relief, and in a short time made a perfect cure. I can now sleep undisturbed, and I would advise all who are suffering with this distressing complaint to procure "Swayne's Oinlment" at once. I
