Dyspepsia! Dyspepsia! Dyspepsia! south Dyspepsia is the most perplexing of all human ailments. Its symptous are almost infinite in their variety, and the foriorn and P. C. RUNDIO, M. D., has resumedac-bilining interior of Medicine and Surgery and their collateral branches. Will give prompt and faithful attention to all patients entrusted to his care. Office in the close sympathy which exists between the stomach and the brain, and in part also to the fact that any disturbance of the diges tive functions necessarily disorders the liver, the bowels and the nervous system, and effects to some extent the quality of the blood.

E. F. Kunkel's Bitter Wine of Iron is a sure cure This is not a new preparation, to be tried and found wanting. It has been prescribed daily for many years in the practice of eminent physicians with unparalleled success. It is not expected or intended to cure all the diseases to which the human family is subject, but it is warranted to cure Dyspepsia in its most obstinate form. Kun-kel's Bitter Wine of Iron never fails to cure. Symptoms of Dyspepsia are loss of appetite, wind and rising of the food, dry-ness of the month, heartburn, distension of the stomach and bowels, constipation, headache, dizziness, sleeplessness and low spirits. Try the great remedy and be con-vinced of its merits. Get the genuize-

or \$1 per bottle. DENTIST.
