Dyspepsia is the most perplexing of all human adments. Its symptoms are almost influite in their variety, and the forlorn and despendent victims of the disease often fancy themselves the prev, in turn, of every known matarty. This is due, in part, to the close sympathy which exists between the

stomach and the brain, and in part also te the fact that any disturbance of the diges tive functions necessarily disorders the liver, the bowels and the nervous system, and effects to some extent the quality of the blood. E. F. KunkePs Bitter Wine of Iron is a

sure cure. This is not a new preparation, to be tried and found wanting. It has been prescribed daily for many years in the pra-ture of eminent physicians with unparallele encoess. It is not expected or intended to
