Gloves are in order at any time GRAIN,

According to Dr. Cuyler, the Rev. New-man Hall of London, in his sixty-first year, can climb a mountain like a member of the "Alpine Club," walk a dozen miles on Sunday to and from his church, is full of hu- they learn the rules they will be spared mor, enjoys a merry romp with children, and brims over with life in every direction. many a mistake when laboring under the belief that they have been flirted

This is from the philosopher of the Bur- with. lington Hawk-Eye : "One of the discoveries made by the latest Arctic explorers is that the length of the polar night is one hun-What a heavenly ich to tell a man Letting it rest on right cheek-Yes. dred and forty-two days. place that would be in which to tell a man with a bill to call around day after to-morrow and get his money."

The air had a decided withtry sting about it last Saturday morning, and no wonder, for the reason that the Allegheny me tains were treated to an absolute install. ment of winter, snow to a considerable depth having fallen on them on Friday. The tops of cars from that region were cove ered with snow.

The first Wednesday in December is the day for the Electorel Colleges of the re-spective States to meet to give the vote watched and certify to the same, and seal them, and appoint a person to deliver them to the President of the United States Senate on or before the first Wednezday in January. The Onen a Electoral College of this State meets at Harrisburg.

New York says the Centennial events of the Revolution are not over; that they will close their one hundredth anniversary in of you. the year that the British troops left the American colonies, which was in 1783. In that year she proposes to hold an Interna-tional Centennial Exhibition in honor of the tional Centennial Exhibition in ho. last of the Revolutionary events.
