ITCHING PILES are generally preceded by a musture like perspiration, distressing itching, as though pin worms were crawling in and about the rectum, particularly at night, when undressing, or in bod, after getting warm. It appears in summer as well as in winter, often-times shows itself around the private parts, and is not confined to males only, but it is quite as frequent that females are sorely illicted, particuly in times of prognancy, extending into the vagina, proving distres sing almost beyond the powers of endurance. Cases of long standing, pronounced

curable, have been permanently cured by imply applying SWAYNE'S OINTMENT.

HERE IS THE PROOF: Dr. Swayne & Son : Enclosed please fine one dollar for two bexes of your Ointment or liching Piles. These are for some of my triends who are affected with this distressing complaint. The box you sent men year age, used about one-oult of it, and I at all hours, am glad, yes, I am proud to say it made a perfect cure. I think its efficacy should be published throughout the length and breath D. L. ALLEN, M. D., of the land. You can publish this if you

think proper.

DAVID GROSSNICKLE. Laidesburg, Frederick Co., Md.
