A Valuable Book.

Bistory of the United States from the Ablistory of the United States from the Ab-original Times to the Present Bay. By John Clark Ritpath, A. M., Professor of History and Belles-Lettres, Indiana As-bury University. Royal Octavo. Illus-trated with Maps, Charts, Portraits and Diagrams, Sold only by subscription. Price \$8.00. Jones Brothers & Co., Phil-adelphia, Chicago and Cincinnati.

The circumstantial detail of 384 years-the years that have opened a new world and created a mighty nation - was never given in better style than in this work. When we look through the bulky volumes of Baucroft we won der that one man should attempt to write all the history of our country when the preliminary portion of it takes up so much space. But we cannot see that Professor Ridpath has omitted a single material fact that is contained in Bancroft, while he has avoided that tedious detail which unfits the work of the latter for popular use. The in-trigues of the English Court and Cabi A son of John Wolf, of Fayert City net, the petty squabbles of the House in England, which are supposed to have
