Lange. A vast tri surely and effectually control them. The tes-timony of our best citizens, of all classes, e-tablishes the fact, that CHERRY PECTORAL

will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The mest dangerous affections of the Pulmonary Organs yield to is power; and cases of Consumption, cured by this preparation, are publicly known, a resumbable as hardly to be believed, were they not power beyond dispute. As a remitted to the proper proper property of the policy of the p remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most scapitical. Every family should keep it on hand as a protection against the early and unperceived attacks of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender ble, and too often fatal, if neglected. Tender lungs need this defence; and it is nawise to be without it. As a safeguard to children, amid the distressing diseases which beset the Threat and Chest of childhood, Charact Picroari is invaluable; for, by its read-use, multitudes are rescued from permature graves, and saved to the love and affection restoring sleep. No one will suffer some Influenza and painful Bron

and successful chemical investigation, to co-or toil is spared in making every bottle in th producing cures as memorable as the greates it has ever effected.
