wouth. Thin hair is thicken ng hair checked, and baldnes though not always, cured Nothing can restore the where the follicles are destroy the glands atrophied and decabut such as remain can be saved this application, and stimulated activity, so that a new growth hair is produced. Instead of foal the hair with a pasty sediment. will keep it clean and vigorous. occasional use will present the la from turning gray or falling of and consequently prevent baldness The restoration of vitality it give to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit, har not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil ner dye, it does not soil white cambric, and yet lasts long on the hair giving it a rich, glossy lustre, and a grateful perfume.
