OUR OWN.

If I had known in the morning How wearily all the day The words unkind Would trouble my mind. I said when I went away, I had been more careful, darling Nor given you heedless pain ; But we ver "our own" With look and tone We may never take back again For though in the quiet evening

I may give you the kiss of peace. Yet it might be That never for me The pa n at the heart s' ould cease How many go forth in the morning That never come home at night! And hearts have been broken By har-h words spoken,

That sorrow can ne'er set right. We have careful thought for the stranger. And smiles for the sometime guest.

But oft for "our own" The titter tone, Though we love "our own" the be t. Ah, lips with curse impatient ! Ah, brow with that look of scorn! 'Twere a cruel fate

Were the night too late To und the work of the morn.

(From the May's Landing Record.) My Journal.

BY LILIAN L'ESTRANGE.

July 10th. Isn't it splendid my dear old journal? To-morrow Nellie How- you mean, Fan.' ard and myself start for Long Branch Grevson. with her aunt Eilison to chaperone us

You know papa is not blessed with much of this world's riches, ministers are not in general, and I thought I couldn't go, but my dear patient mother has somehow got the money, and today, to my infinite joy and delight, she told me to begin and get ready. I just hugged her, I was so glad.

Only yesterday I almost envied Nell, my most intimate friend, with all her wealth and beauty. Why she might live at Long Branch all her life and not miss one dollar, and here poor, little, plain me could not go for two short months.

at Nell's dazzling grace. Why is it, I "Then," was the sarcastic reply, "I, So he rowed along silent and slow, wonder, that some have both wealth Nellie Howards, do not love you, and and cut a crotched stick from a bundle and beauty, and others neither?

never shall. Is it plain?" Now my heart is light and gay, and I "Nell, Hush, I cannot bear to hear "Steady now, Raymun," said he, as

But now thou'rt far from me. Bobin Adair. But now I never see Bobin Adair. Yet him I loved so well,

Still in my heart shall owell, Oh! I can never forget Robin Adair. just his style-not a man to parade his religion before the world, but helps the sick and suffering in such a quiet way, In the middle of the second verse that one would scarcely know that he noticed a tall figure darken the open less stature than many other Indians, had done anything. Nell pronounces window, but supposed it was Douglass. they are still tall and well made. Their him as one of the "goody, goody kind," It waited until the verse was finished faces are very intelligent, the nose aqui-

then adds hastily, "but a dozen of him and then crossed the room. "Nellie," said Sidney Greyson, cheek bones less prominent, and the are better than that provoking Sidney softly, "do you mean what you sing? lips thinner than usual among other August 21st. Well, it's queer! Most If Robin Adair was here, could you tribes. The dress of the men differs certainly God's ways are not ours, and say you loved him ?" He leads us in a path we know not. Nell gave a little cry at the sound of Indians of the plains, except in being Journal, my first, very first heart's his- the familiar voice, then hid her face in generally cleaner and in better preser-

tory, I set down on your pure white her hands with a faintly murmured vation. The Bloods dress more neatly "Yes." and are finer and bolder-looking men Douglass Leslie came to me this I stole from the room; no third per- than the Blackfeet, who, in turn, sur-

norning, and in his earnest, manly way son should be present at the opening of pass the Peagins in these respects. The each occasion the sun also was in the told me he loved me, and asked me to hearts. be his wife! I was so surprised that After the lapse of some five minutes fair men, with meteorites was seen to be directly in a cats and now as screech owls, and cast nores what all other men know; he by first taking a large spoonful and how as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as screech owls, and cast nores what all other men know; he be directly in a cats and now as any one could ever care for me in that Douglass, who did not know Sidney was gray eyes, and hair both finer and light- line with the sun. The comet's head, ing spells generally over homestead and alone believes where others more than any one could ever care for me in that way, but I knew by my joyous, light heart that I loved him, and told him Niss Howards," and Nell replied, with

He has written to-day to papa. Oh! great happiness in her musical voice and a hidden depth of feeling I had God grant he won't refuse his request, never given her credit for, "I cannot, and yet, why should he? My Douglass except to say: is an earnest, noble-hearted man ! "Come to my heart again, Bobin Adam !

Nell came to-night to congratulate me, yet how the sly little rogue ever knew is a mystery to me. In return for her teazing, I retorted that there would soon be another engagement, whereupon she flushed, then said haughtily, "I do not know what
