A Great Historical Work.

EMBRACING of the Greek and Roman Empires, the Growth of the Nations of Modern En-Rte Fte with Sketches of the Leading

By JAMES D. McCABE, There has long been a great and univer sally-felt want of a History of the World uitable for general use. This want is now being supplied by the National Publishing sued a handsome volume, entitled "The Pictorial History of the World," by James lemons into cold water and slowly bring to D. McGabe, a well-known historical writer. This work will, undoubtedly, take rank as a book that has been published in this councause pain, lessen the quantity and use only and admirably written history of every na- Rice was born in 1791. use for lemons is for a refreshing drink in treasury of history, and there is not a quessummer, or in sickness at any time. Prepare as directed above and add sugar and torical subject, but an answer to it can be found in this work. The author does not articles attacking the Newton Hamilton content himself with a more dry statement camp meeting management for allowing too of facts, but sketches the life and manners add one pound of loaf or crushed sugar, of the various nations of which he treats, in life-like colors, and presents to the read- agements don't usually pick their company, er the causes which led to the prosperity they open the door to all. The criticisms and decay of the great powers of the world, of the press of the upper Juniata may lead He shows us the various great men-the to the placing of a closer watch on the ons by boiling them, and the preparation warriors, statesmen, poets, sages, and ors- movements of fast people when they attend tors-of ancient and modern times, and the meetings in the future. makes them familiar to the reader; he explains the secret motives of their actions, and points out the lessons which is a full History of the late War between Russia and Turkey.

This is the only complete History of the World in print, and it should be read by every intelligent person. We are constantly called upon to discuss the great questions of history, and the wars and quarrels o nce, and strictly accurate, and presents to the reader a mass of information respecting ancient, medieval and modern history ot to be found in any other book.

It is comprised in one large royal octavo fine engravings illustrative of the events recorded in the parrative, embracing battles and other historical scenes; portraits of the great men of ancient and modern times views of the principal cities of the world, and of noted places and public buildings, executed by the best artists and engravers of Europe and America.

The engravings in this book are genuit works of art, and were made at a cost of over \$25,000. The great number and high character of these engravings make

We cannot too highly praise the numer ous and beautiful portraits of historical personages with which it abounds.

fies the blood and gives tone to the stomach, renovates the system and prolongs life.—
Everybody should have it.

I now only ask a trial of this valuable tone. E. F. KUNKEL, Sole Proprietor, No. 259 North Ninth Street, below Vine, Philatelphia, Pa. Ask for Kunkel's Bitter Wine of Iron, and take no other. A photograph of the proprietor on each wrapper.

tograph of the proprietor on each wrapper, all others are counterfeit.

Buy six bottles for \$5.00,

Worms Removed Alive. E. F. Kunkel's Worm Syrup never fails to destroy Pin, Seat and Stomach Worms. Dr. Kunkel, the only successful physician who removes Tape Worm in two hours alive with head, and no fee until removed. Common sense teaches that if Tape Worm be removed, all other worms can be readily deremoved, all other worms can be readily de-stroyed. Send for circular to E F Kunkel, 259 North Ninth street, Philadelphia, Pa, or call on your druggist for a bottle of Kun-kel's Worm Syrup, price \$1. It never fails.

Manhood: How Lost. How Restored Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medican the radical cure (without medi-cine) of Spermatorrhea or Seminal weak-ness, Involuntary Seminal Losses, Impo-tency, Mental and Physical Incapacity, Impediments to Marriage, etc ; also, Con-sumption, Epilepsy and Fits, induced by self-indulgence or sexual extravagance, &c.

D'Price, in a sealed envelope, only six

years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerons use of internal medicine or the application of the kaife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheap-ly, privately, and radicully. IF This Lecture should be in the hands

of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, post-paid, on the receipt of six cents or two post stamps. Address the
