Betitor Scalinel and Republican-Dear Sir The time is approaching when the Republicans of this Congressional district must select a candidate for Congress. Without disparagement to any gentiemen of the district, we believe that Juniata county can present a candidate the peer of any gentlepresent a candidate me peer of any gentle-man likely to be named, in point of ability and personal integrity, and possessing all the elements of political popularity that may be claimed for the most popular. Per-nat us, then, Mr. Editor, to mame Louis R. ATKINSON, Esq., of Mifflintown, as a cand date for nomination for Congress, subject to the rules and regulations of the Renes-

Hean party.
REPUBLICANS OF MIFFLINTON

LEGISLATURE.

Editor Sentinel and Republican-Dear Sir. Believing that the interests of the Republican party can be advanced by the semination and election of a stauch Republican to the Lower House of the Legislature, wa have the honor of presenting the name of Du. J. P. STERRETT, of Port Royal, as & suitable candidate for the Legislature, subject to the rules and regulations of the Re-

LEGISLATURE. Editor Sentinel and Republican-Sir. As the time is drawing near when the Ropublicans of Juniata county will have to select . candidate for Legislature, and as it is im. portant that we should select a candidate who combines fitness for the position with personal strength, and knowing so one who possesses these qualifications in a more em-Mifflintown, we ask that his name be anounced as a candidate for the nomination for Legislature, at the approaching Primary Election. In doing this we are aware that Mr Graybill has not sought political prefer-ment, but has devoted his time to the care and management of his private business, but hope that he will accept. fident that he can, if nominated, be elected

Editor Sentinel and Republican-Dear Sir. There seems to be an uncommon stir among the Democratic brethren in regard to the nomination of a candidate for District Attorney, and while efforts and counter efforts bave been going on in the camp of the Democracy, our camp has been as silent on the question of Attorneyship as if no such an important office is to be filled. I do beas to the Attorneyship, and therefore I nominate J. S. ARNOLD, Esq., of Richfield, as a candidate for the office of District At-torney, subject to the rules for the govern-ment of the Republican party. Mr. Arnold is a young man of energy, and speaks fu-ently in both the German and English lan-

safety," it must follow that in a multitude open fences, or cut wood or young timber, of candidates a good nomination must take place, therefore I nominate H. L. McMers of Tuscarora township, for the office of County Commissioner, subject to the rules and regulations that govern the Republican party. The nomination of Mr. McMars would give to the ticket a prestige that will be felt in the November election. Respectfully yours, TUSCARORA.

COUNTY COMMISSIONER. Editor Sentinel and Republican-Sir, If

in the multitude of counsellors there is

COUNTY COMMISSIONER.

Editor Sentinel and Republican-Dear Sir. As the time is approaching when the Republican voters of the county will be called upon to select some one of their number to Commissioners, and as it is very desirable te have in this position one in whom the citizens of the county, irrespective of party, can place the fullest confidence, we tak pleasure in bringing torward the name of CAPT. LEWIS DEGAN, of Fayette township. The Captain needs no recommendation to put him in favor with the party. His levalty to his country in the time of her peril, his fidelity to the party, his fitness for the position, are recommendations sufficient to secure his election. Fayette, therefore,

presents him as her choice, believing that his selection will be a merited compliment to a worthy citizen.

COUNTY COMMISSIONER. Editor Sentinel and Republican-Dear Sir, To new customers, I would say, give me Editor Sentinel and Republican—Dear Sir, a trial. To my old friends and customers It may seem a little early in the campaign throughout the county, I have but to say, to make announcement of candidates for office, but taking the nominations for State officers as a standard to be governed by, the seeming earliness disappears, and the fact reveals itself that now is as good a time as any to announce candidates for office. Therefore it is in order to nominate a caudidate for County Commissioner, and I nom-inate J. Baxks Wilson, of Fayette township, for the office of County Commissione, subject to the rules and regulations that

May 30, 1878. COUNTY COMMISSIONER. Editor Sentinel and Republican-Dear Sir. Permit me through the columns of the Sen-mel and Republican to announce M. R. BESHOAR, of Walker township, as a candidate for the office of County Commis-sioner, subject to the rules and regulations of the Republican party.

Junn 1, 1878. COUNTY TREASURER.

Editor Sentinel and Republican-Dear Sir, Among civilized people, money is a medium of exchange, hence in all organized society. or associations there must needs be a Treasurer, or custodian of the money used for public purposes. In recognition of the financial management recognized by organ-ized society, I nominate Jacob S. Thomas. of the borough of Mifflintown, for the office of County Treasurer, subject to the rules and regulations of the Republican party.

MIFFLINTOWN. PROTHONOTARY. Editor Sentinel and Republican-Dear Sir, Merit and fitness should be considerations in the selection of candidates for public offices. Your published list presents an unusual array of strength; and while it is not our wish to utter a single word that would tend to weaken the chances of any, yet we believe we have one to present who possesses in the highest degree those qualifications so essential to success. We, therefore, (we say we, because our name is many) inscribe upon our banner the name of JESSE GRUBS, of Fayette township, for the Calcined Plaster, Land Plaster, of Prothonotary, subject to the favorable consideration of the Republican voters

of the county. MANY REPUBLICANS. PROTHONOTARY.

Editor Sentinel and Republican-Dear Sir. The office of Prothonotary is an important office, and as yet no Republican has been publicly announced for that office, therefore I announce J. W. WAGNER, of Fermanagh township, as a candidate for the office of Prothonotary, subject to the rules and regulations that govern the Republican FERMANAGH. party.
